ABOUT OUR SCHOOL

Dartford Bridge Community Primary School is a vibrant, ambitious and inclusive school where children are supported to grow together to be the best that they can be.

As a community of enthused, high-achieving learners, we aim to nurture caring, respectful citizens who are motivated to succeed in school and beyond. Our curriculum is rich, engaging and carefully designed to meet the needs of our diverse community—building strong foundations of knowledge and skills that create life-long learners with a passion for discovery.

We aim to develop pupils who are aspirational, resilient, self-motivated and excellent communicators, able to solve problems, collaborate effectively and take pride in producing high-quality work. Learning is rooted in real-life relevance, enabling pupils to reflect, evaluate and understand the impact of their choices.

Our **BRIDGE** values—Believe, Respect, Independence, Determination, Grow Together, Excellence—guide the culture of our school and shape daily life for children and staff.

Located on The Bridge Learning and Community Campus, DBCPS is proud to be part of a dynamic local community. We build strong relationships with families and develop local and international links that enrich learning and foster global citizenship.

With a warm, supportive ethos and a commitment to high expectations, DBCPS is a school where every child is known, valued and supported to thrive academically, personally and socially.
