Dear Applicant,

May I take this opportunity to thank you for the interest that you have shown in the post of Assistant Headteacher at Hugh Gaitskell Primary School.

As an initial introduction to school I would invite you to visit the school's website which can be found at <https://www.hughgaitskell.leeds.sch.uk>. We would encourage and welcome you to visit Hugh Gaitskell Primary School in order for you to experience, first-hand, the vibrancy of our unique school.

Hugh Gaitskell Primary School is a large, three form entry primary school and 72 place nursery situated close to the centre of Leeds. Our motto, 'One World, One School', reflects our inclusive ethos and our desire to provide a high-quality and creative education that both challenges and inspires children of all abilities. The intake to the school is a wonderful mix of ethnicity, race, culture and socio-economic backgrounds. The children have a wide range of needs, including those with Special Educational Needs and English as an Additional Language. We believe in making learning exciting and our curriculum is knowledge and skills-based.

Throughout the school we have a dedicated team of professionals. They provide an unwavering commitment to the children, supporting them to become powerful and strong. The staff ensure the children's safety is at the heart of all they do. They promote resilience, aspiration, confidence and collaboration. I am committed to the continuing professional development of our staff and many have been appointed from within.

We believe in a learning environment for all in which everyone has a part to play and a contribution to make. Parents are made welcome and there is an ongoing dialogue between staff and parents which is established in the Early Years Foundation Stage and continues throughout the school.

We are seeking applications from outstanding candidates who have a substantial record of successfully leading an Early Years team. Working in strong partnership with the Senior Leaders, they will also have the vision and leadership skills to build upon our strengths, in order to meet the challenges and opportunities of the future.

Yours sincerely,

Vision and Values

Together we will make the world a better place

Every child deserves a champion: an adult who will not give up on them, who understands the power of connection and insists they become the best they can possibly be. Alongside parents, we are that champion.

And it doesn't matter how much it takes, how easy or hard it might be because our passion is to champion every child that comes here.

We are their cheerleaders, their coaches, their biggest fans.

Our children live in a diverse world, a more connected world where they will meet people from all over the globe and speak different languages.

That world lives in our school.

We champion that diversity, we celebrate it, because it makes us all richer through new experiences, new adventures, new friends, but it also teaches tolerance, understanding and respect.

One world, one school.

Our children will have a voice and they will become the champions of others, their community and their world.

They will make the world a better place.

They will say:

I have things to do, people to impress and places to go. I will be a better person when I leave- I am powerful and I am strong.

At Hugh Gaitskell Primary School, our intention is that our curriculum extends opportunity, raises aspiration, opens children's eyes to the world beyond their immediate environment, enables our children to live happy, healthy and productive lives and inspires children to learn more. For children with special educational needs, the curriculum is mediated and adapted by the class teacher, supported by our skilled and knowledgeable special needs coordinators and pastoral team. We believe our curriculum prepares the children well for their secondary education and has inspired them to find out more about the world around them. We aim to provide our children with the cultural capital they need to succeed in life.

Our vision is to ensure that our children are able to overcome extreme rates of mobility, poverty of expectation, individual needs, limited life experiences and, for a significant proportion of our pupils arriving from abroad, limited experience of life in Britain.

We encourage our children to learn whilst having fun. We want to help each child to become a caring, confident and curious young person who has a passion for learning in order to prepare them to embrace their bright futures- they will be powerful and they will be strong.

We will do this by supporting, nurturing and inspiring our children through quality-first teaching strategies and providing a wealth of opportunities to enrich their life experiences.

By working with our families, we create an aspirational environment where everyone is valued and successes are celebrated.
