Details

We are seeking a passionate and innovative Science Teacher to join our dedicated team at The Appleton School. As a Science Teacher, you will play a key role in inspiring students to develop their Science skills and critical thinking. We are looking for an individual who can create engaging and challenging lessons that foster a deep understanding and appreciation of Science across all Key Stages.

Principal Responsibilities

- Plan and deliver engaging and differentiated lessons in Science across Key Stages 3, 4, and 5, ensuring that all students are supported and challenged to achieve their full potential.
- Establish a nurturing and inclusive classroom atmosphere where students feel valued and empowered to delve into challenging Scientific concepts with confidence and enthusiasm.
- Utilise a variety of teaching strategies, resources, and technologies to enhance student learning and cater to diverse learning styles and abilities.
- Assess student progress and attainment through a range of formative and summative methods, providing timely and constructive feedback to support student growth and achievement.
- Collaborate with colleagues to develop and refine the Science curriculum, participating in departmental meetings and contributing to cross-curricular initiatives and enrichment activities.

Additional Specific Responsibilities

- To be Form Tutor of an assigned form and to carry out related duties in accordance with the general job description of a Form Tutor.

General Duties

- To carry out a share of supervisory duties in accordance with published rosters.
- To participate in appropriate meetings with colleagues and parents relative to the above duties.
- To participate in the performance and development review process, taking personal responsibility for identification of learning, development and training opportunities in discussion with line manager.
- To comply with individual responsibilities, in accordance with the role, for health & safety in the workplace
- Ensure that all duties and services provided are in accordance with the School's Equal Opportunities Policy
- The Trust Board is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment

The duties above are neither exclusive nor exhaustive and the postholder may be required by the Headteacher to carry out appropriate duties within the context of the job, skills and grade.
