# ABOUT OUR SCHOOL

Greenlands Primary School is a warm, nurturing one-form-entry school where every child has a champion—someone who believes in them, supports them, and helps them become the very best version of themselves.

At Greenlands, every child and member of staff becomes part of our school family from the moment they join us, and we work together to create an environment where everyone feels valued, included and inspired. Our overarching aim is to foster a genuine love of learning, encouraging curiosity, independence and ambition so that pupils develop the confidence to explore their world and shape their future.

Positive relationships are at the heart of everything we do. We celebrate diversity and help children understand how their actions and interactions can positively impact both their community and the wider world.

Through a stimulating, enriching and inclusive curriculum, we ensure that learning is irresistible—filled with exciting experiences that open doors to opportunities beyond the classroom.

Our school value are:

- Curiosity
- Resilience
- Ambition
- Community
- Kindness
- Responsibility

These values guide daily life at Greenlands and help children build strong character foundations. As part of the Greenlands family, we promise to treat one another with respect, be resilient, stay safe and champion the success of every child in our care
