Equal Opportunities Monitoring Form

At Southfield School, we want our workforce to reflect the diversity of the community we serve. It is our policy to ensure that job applicants and employees are treated justly, and are recruited, selected, trained, and promoted on the basis of the job requirements, skills and abilities. We will ensure that people are not disadvantaged by conditions or requirements, which cannot be shown to be justified as being necessary for the effective performance of the job. You are under no obligation to complete this form, however if you do you are agreeing, under the Data Protection Act 2018 that Southfield School may hold and use personal information about you for monitoring purposes.

Safeguarding

Southfield School has a responsibility for and is committed to safeguarding and promoting the welfare of children, young people, and vulnerable adults to ensure that they are protected from harm. All conditional offers of employment are subject to the following pre-employment clearances:

Satisfactory Medical Clearance

All successful candidates complete a medical questionnaire and may be required to pass a medical examination by the Southfield School.

Satisfactory References

It is the school's practice to obtain references covering your two most recent employment positions. Referees must not be a member of your family, or spouse/partner and the reference must be provided on letter headed paper or come from a work email address. If you are a recent school or further education leaver, one of your references must be from your school or college. Occasionally more than two references may be required, if this is the case, we will inform you before we contact former employers.

In line with our safer recruitment policy, we will take up references ahead of interview. Once we have received your references, we will call your referees to verify that the reference is from them as part of the keeping children safe in education requirement. No employment will be offered until two satisfactory references are received.

Rehabilitation of Offenders Act 1974

The Rehabilitation of Offenders Act 1974 makes it unlawful for prospective employers to consider offences in relation to which the person concerned is deemed to be rehabilitated. This means that after a certain period (dependent on the seriousness of the offence and length and severity of the punishment), the person concerned is to be assessed as if the conviction has been 'spent' (i.e. treated as if it had never occurred). Rehabilitation periods vary according to the type and length of conviction originally incurred. All posts within the school are covered by the Rehabilitation of Offenders Act (Exemptions) Order 1975 and DBS clearance is required and therefore detail must be given about all convictions, whether spent or not.

Disclosure and Barring Service (DBS) (Previously CRB) Clearance

As all posts require a DBS check, the successful candidate will be required to complete the appropriate DBS documentation. The successful candidate will be unable to take up the appointment until the clearance is received from the DBS. The timescale for these checks is outside the Southfield School's control.

Prohibition from Teaching

All teaching appointments are subject to a check with the Department for Education to ensure that you are not subject to a prohibition order or an interim prohibition order.

Evidence of Qualifications

We will need evidence of the qualifications (original certificates) you specify in your application form. Originals must be brought to the interview for candidates who have been shortlisted. Copies will not be accepted.

Eligibility to work in the UK

To comply with the Asylum and Immigration Act 1996 (As AMENDED) (Immigration, Asylum and Nationality Act 2006), all employers in the United Kingdom are required to make basic documentation checks on every person they intend to employ. We ask all shortlisted applicants to provide proof that they can be legally employed. We must see satisfactory proof in the form of original documentation before we can confirm any offer of employment. If we do not see satisfactory proof, an offer of employment can be withdrawn.

The complete list of documents that may be accepted as proof of your identity, along with information on the number and types required can be found below. There are three routes as outlined, however where possible, we encourage shortlisted applicants to produce documents which adhere to Route 1 of the ID Checking process to avoid delays in the ID checking process.
