Our SCHOOL

“

We are a small village school in the heart of Bedmond, with an exciting curriculum that caters well for our four mixed classes. We pride ourselves as a friendly and nurturing school within the local community, offering a wide range of opportunities for our learners both academically and pastorally. I lead a committed team, where staff think creatively and work well to meet the needs of all our pupils, with enrichment at the heart of everything we do. We weave outdoor learning into our curriculum and have half-termly enquiry-based questions that link many aspects of our wider curriculum, supporting whole school collaboration.

”

I welcome visits to see our wonderful school!
