The Learning Trust (TLT) is a great place to work. Results and facilities are excellent and the students are well motivated. We try to live by the maxim "*Happy, Hardworking and Caring*" and expect that all staff should be a role model for these three characteristics. Both schools are situated on the same site in Handbridge, which has great links to Chester and surrounding areas.

Safeguarding

The Rehabilitation of Offenders Act

The Rehabilitation of Offenders Act allows for a person who has been convicted of a criminal offence involving a sentence of not more than 2.5 years imprisonment and who has since lived trouble free for a specified period of time (related to the severity of the offence) to be treated as if the offence, conviction or sentence had never occurred. This is known as a spent conviction.

This job is one of those to which the provisions of the above Act in relation to spent convictions, do not apply. Applicants must therefore disclose whether they have any previous convictions, whether or not they are spent.

Should an applicant have a criminal conviction, this will be discussed in confidence at interview. However only convictions that are relevant to the job in question will be taken into account. Failure to disclose any conviction could lead to an application being rejected, or, if appointed, may lead later to dismissal.

People who have convictions will be treated fairly and given every opportunity to establish their suitability for the job, all applicants will be considered on merit and ability.

Any information that you give will be kept in strict confidence and will be used only in respect of your application for the job.

Disclosure and Barring Service (DBS)

Successful applicants will be asked to apply for a Criminal Record Check (Disclosure) from the Disclosure and Barring Service.

This job is subject to an Enhanced Disclosure which provides details of all convictions held on the Police National Computer Database, including current and spent convictions as well as details of any cautions, reprimands or final warnings. If a job involves working with children, the disclosure will indicate whether information is held on government department lists. There is an additional level of check which also includes a check on local police records.

A copy of the Disclosure and Barring Service Code of Practice is available on request. Further information about the Disclosure scheme can be found at <https://www.gov.uk/disclosure-barring-service>
