JOB DESCRIPTION

Job Title: IT Technician

Grade: 3 (SCP 20 – 28)

Purpose of Job Role:

- To provide effective, responsive and customer-focused IT technical support across the Trust's schools, Hospital environments and remote learning provisions ensuring that technology is reliable, secure and accessible to support teaching, learning and operational delivery.
- The postholder will be supporting staff, students and its user with sensitivity, patience and professionalism, and contributing to the Trust's commitment to safeguarding, inclusion and accessibility.
- To assist in the support and maintenance of all IT, technological and Audio-Visual equipment throughout the Trust with specific responsibility for supporting IT systems, Security and Access systems, End Users, End User devices, core infrastructure and filtering services.
- Carrying out routine maintenance on Trust wide IT Software, computers and associated devices.
- Manage own workload derived from the 'help desk' to ensure that priorities, deadlines and SLA's are met for the whole team.
- To assist in ensuring all hardware and software systems are in place and fully functional to support the Trusts IT infrastructure.
- To support the head of IT and Operations and IT Manager in commissioning and ongoing support of all cloud-based services and in-house physical resources managed by the IT department.
- To assist in the training and support of teaching staff and pupils and all external 3rd party users in the use of any technologies specific to the Trust.

Duties and Responsibilities:

- Provide IT support to staff, classrooms and Trust services
- Diagnose and resolve hardware, software and connectivity issues efficiently
- Respond to incidents and service requests via the Trust helpdesk system
- Escalate complex issues appropriately to senior IT staff or third-party suppliers
- Maintain accurate records of work undertaken and resolutions provided
- Install, configure, maintain and support:
    - Desktop PCs, laptops, tablets, Chromebooks and iPads
    - Interactive whiteboards, touchscreens, projectors and Trust AV
    - Printers, scanners and specialist classroom devices
    - Software platforms and digital services used by the Trust
- Assist with device deployment, imaging, refresh and asset management
- Support user accounts, permissions and devices in line with Trust policies
- Carry out network fault-finding for wired and wireless connectivity
- Provide calm, patient and flexible IT support within special school settings
- Support technology used to meet individual pupil needs, including:
    - Accessibility features and assistive technologies
    - Communication and interaction tools
- Work safely and appropriately in classrooms and learning spaces
- Adapt support approaches to meet sensory, behavioural or medical needs
- Provide a friendly, professional and approachable IT service
- Communicate technical information clearly and simply to non-technical users
- Build effective working relationships with all staff across the Trust
- Provide support during lessons, meetings or Trust activities where required
- Maintain accurate technical documentation and asset records
- Contribute to knowledge bases and user guidance
- Identify recurring issues and suggest service improvements

- Support Trust-wide IT projects and initiatives
- Keep skills and knowledge up to date through ongoing development
- Use equipment safely and report hazards promptly

Other responsibilities:

- Act in accordance with Trust safeguarding procedures at all times
- Support and comply with:
  - UK GDPR and data protection requirements
  - E-safety, filtering and monitoring systems
  - Cyber security and Acceptable Use policies
- Report safeguarding, security or data protection concerns promptly
- Take personal responsibility for promoting and safeguarding the welfare of children and young people the role is responsible for or comes into contact with
- Follow all organisational systems and procedures; abide by Trust policies, including Health and Safety, codes of conduct and practice as described in the staff policies and procedures
- Set an example of personal integrity and professionalism in line with the staff Code of Conduct.
- Treat with confidentiality any personal, private, or sensitive information received or accessed
- Carry out such other duties as may reasonably be required from time to time to meet the evolving nature of the role and the Trust
- Promote and support inclusive practice
- Support and promote diversity and equality of opportunity for all
- To perform other such duties as the line manager or Principal may from time to time determine.
- Adhere to Health and Safety at all times
- Undertake and participate in relevant CPD and appraisal arrangements.
- To be flexible to work across all Trust sites as the needs of the Trust dictate
- To promote value systems as defined within Keeping Children Safe in Education and to support inclusive practice
