THINK
BEYOND

WELCOME TO STAHS!

We are very proud of our warm and vibrant community of ambitious young people, caring and talented staff and supportive alumni and parents.

Thank you for your interest in joining St Albans High School for Girls (we call it STAHS), one of the UK's leading independent schools, educating over 1,100 girls aged 4 to 18 and consistently ranked among the country's best schools.

At the heart of STAHS is our Teach to 25 philosophy, which prepares students not only for academic success but for life beyond education. Through outstanding teaching, our Skills for Life programme, SuperCurriculum and extensive co-curricular opportunities, pupils develop the confidence, resilience, creativity and communication skills needed to thrive in a rapidly changing world.

Academic excellence is a hallmark of STAHS, but it is only part of the story. We encourage girls to think deeply, embrace challenges and approach new experiences with confidence, while fostering a culture of kindness, respect and individuality. Beyond the classroom, pupils enjoy a wealth of opportunities in sport, the arts, leadership and service, enabling them to discover new passions and make a positive impact on the world around them.

The School operates across two sites: STAHS Prep in the village of Wheathampstead and STAHS Senior in the heart of the historic city of St Albans.

It is my privilege to lead a team of outstanding colleagues who share a commitment to helping every pupil flourish. We work together in a warm, supportive and ambitious community that is uniquely STAHS.

Please visit our website to discover more about what makes STAHS such a special place to learn and work.

Mrs Ann Massey MA Oxon, MEd
Head of STAHS Senior

THE SCHOOL

STAHS opened in 1889 in a converted hospital on Holywell Hill, St Albans, one of many similar schools which were being established towards the end of the 19th century. We transferred to our current site on Townsend Avenue in the heart of the city in 1908, with the Prep School subsequently moving to the village of Wheathampstead in 2003. STAHS has close links with the diocese of St Albans through the Bishop and the Dean, the latter being an ex-officio governor of the School. We are affiliated to the Church of England, and we warmly welcome pupils and staff of all faiths or none.

At STAHS we are always thinking beyond; that's why everything we do is geared towards preparing our pupils for their next steps. We call this our Teach to 25 philosophy. Our vision is for each child to become a happy, resilient young person who embraces opportunities. It's how pupils at STAHS are prepared to live lives of consequence.

From Forest School and FutureSTAHS in Prep, to our SuperCurriculum that stretches pupils beyond the limits of exam specifications, Teach to 25 runs through every aspect of a STAHS education. We equip pupils with the skills, independence and knowledge needed to navigate their path in the critical early years of adult life. Our staff are the beating heart of the School and deliver our Teach to 25 strategy through the intellectually challenging and engaging lessons and co-curricular they lead.

We are always developing our facilities to ensure that we provide an inspiring learning environment for our entire community. Since 2020, we have opened our stunning state-of-the-art Sixth Form Centre, modern Dining Hall, new classrooms at Prep and Senior, new Prep IT suite and Art and Design studio, a beautifully refurbished Prep Library, a Wellbeing Centre and an all-weather Astroturf pitch at the Senior School..

We have ambitious plans for further development of our facilities over the next decade to provide an even more inspiring and welcoming learning environment.

As a member of staff, you will be encouraged to develop your skills and experience through our extensive professional development programme, which includes opportunities to engage in school exchanges, action research, academic partnership with local and regional schools and institutions and a variety of outreach programmes. You will be a member of a friendly and welcoming school community, and benefit from employment at a school that prioritises staff welfare.

THE ST ALBANS EDUCATION GROUP

St Albans High School for Girls is part of The St Albans Education Group (STAEG).

STAEG is a growing, charitable group which provides strategic leadership and operational resilience for our schools, while ensuring each retains its own distinct identity and ethos.

Our group brings together schools of different sizes, characters and geographies. STAEG was formed in 2024 following the merger of St Albans High School for Girls (STAHS) Prep and Senior Schools with Stormont School, and this year we have welcomed St George's School Windsor Castle and St George's Ascot to the group.

Each prospective school is carefully assessed to ensure it will demonstrably benefit from being part of STAEG, and will in turn enhance our educational excellence, values and thought leadership. A diverse group amplifies our voice nationally and strengthens our collective resilience.

Across STAEG, staff benefit from rich professional networks, shared expertise and continuous collaboration. This ensures that pupils experience an academically ambitious, values-led education in inspiring environments.

For families, STAEG offers stability, continuity and a consistent educational journey from early years to Sixth Form. As a charity, every surplus penny is reinvested in our schools and the outcomes of our pupils.

St Albans Education Group (STAEG) is a charitable group of leading independent schools.

OUR MISSION

STAEG supports and strengthens our schools to ensure pupils flourish and make a positive impact on society.

OUR VISION

To shape independent education for the future through bold leadership and sector-leading expertise.

OUR VALUES

Excellence: We uphold the highest standards in all we do.

Integrity: We act with honesty, kindness and respect.

Diversity: We celebrate difference and build inclusive communities.

Innovation: We think boldly and creatively to meet challenges.

Leadership: Our leaders demonstrate courage, compassion and purpose.

Joy: We believe education should be exciting, fulfilling and life-enriching.

It is my privilege to lead an outstanding group of colleagues across the St Albans Education Group, all of whom are devoted to preparing young people in our care to live lives of consequence and make a meaningful impact upon the world.

STAEG seeks to bring together schools that will provide a leading voice in the sector. We believe that excellent education is the bedrock of pupils' future success and happiness and want our schools to provide progressive, outstanding education for our learners. We have the highest of expectations for our pupils and our staff alike.

In a rapidly changing and challenging environment for schools the St Albans Education Group looks to the future with confidence.

THE DEPARTMENT

The Design and Technology Department is a large and thriving department, consisting of 6 dedicated teachers, two full time and one part-time technician. As a team, we enjoy exploring new ideas, producing and sharing resources and ensuring that as much practical work is produced by the pupils and celebrated as possible. We aim to create an environment that inspires lifelong learning and increases pupils' knowledge, motivation and aspirations.

The facilities in the Design and Technology Department are excellent, with purpose-built rooms for each of the specialisms in 3D Design, Textiles and Food Preparation and Nutrition. These are all housed on the ground floor of the Jubilee Centre, which includes dedicated IT facilities. In addition, there is a large department office which encourages collaboration and collegiality. The department makes a point of investing in the latest technology and resources, including laser cutters, a 3D printer suite, sublimation printer, embroidery machines, heat presses and a range of other specialist tools and machinery. The Food room has a comprehensive range of food preparation and processing equipment, including electric pasta machines, dehydrators, steamers, kitchen aids, air fryers and blast chiller.

The department's uptake of pupils studying 3D Design and Textiles GCSE is very strong, with two to three groups in each of Year 10 and 11. At A Level, pupils can take 3D Design or Textiles, and we have one group of each subject every year. At GCSE we follow AQA Art and Design 3D Design and Textiles. At A Level we follow AQA Art and Design 3D Design and Textiles. We regularly support pupils in making applications to study for Architecture, Fashion, Product Design and Engineering-related courses and work with other departments, such as Science, Maths, Computer Science, Art and Drama to promote STEM across the curriculum.

We run a series of co-curricular clubs and open workshops through the department. The aim is to provide opportunities for pupils to learn beyond the classroom, giving them a chance to experiment and be creative. Pupils are also challenged via opportunities to go on trips and enter external competitions, such the Rotary Technology Tournaments, where we have had past significant success.

In Years 7, 8 and 9 we have developed our own programme of study that provides the pupils with a solid foundation in the skills needed to study the subject further up the school. We continuously review our schemes of work to keep projects up-to-date and meet the changing needs of the pupils at Key Stages 4 and 5.

THE ROLE

The Teacher of Textiles will report to the Head of Design and Technology.

The postholder will be an outstanding classroom teacher who will play a key role in the academic life of the School. The successful applicant will be passionate about Textiles and will be able to develop pedagogy and design creative and exciting lessons to deliver the Textiles curriculum across KS3 and KS4.

The Teacher of Textiles will be required to take a form tutor role and contribute to the co-curricular life of the department and school.

This is a fixed term position for one or two terms, offered on a full-time basis.

The start date for this position is Monday 23 November.

This position involves contact with children and will amount to regulated activity as defined by Keeping Children Safe In Education (KCSIE) for safeguarding children and safer recruitment.

RESPONSIBILITIES

All teachers are appointed by the Head and are expected to:

- Plan and prepare relevant material to teach classes allocated to them, according to the policies of the department(s) to which they are accountable. Keep a record of their teaching.
- Set and mark pupil's work regularly and appropriately for the subject(s) taught; record marks, monitor and assess progress and write reports as required.
- Participate in the arrangements for preparing and assessing pupil's work for public examinations.
- Work positively and co-operatively as a member of a team to include liaising and working with colleagues in operating mark schemes, researching materials, keeping abreast of new developments and developing new courses.
- Take part in professional development including training.
- Share in pastoral responsibility for all pupils in school and especially for those in their tutor or teaching groups, liaising where appropriate with pastoral staff.
- Maintain good order and discipline among pupils, safeguarding their health and safety at all times when they are the responsibility of the school. The teacher must be familiar with the school and departmental policies on discipline and health and safety.
- Share in supervisory and general duties; uphold good standards of behaviour and punctuality among pupils.
- Attend staff meetings and participate in working groups as required.
- Attend assemblies and as often as is reasonable other school functions, playing an active part in wider aspects of school life including co-curricular activities.
- Attend Parents' Evenings.
- Be a part of the School's performance development programme.
- Adhere to School policies.

In addition to the above, the post holder will carry out any other professional duties as reasonably required by the Head.

STAHS is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants will be required to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.

PERSON SPECIFICATION

STAHS is a vibrant school supported by a diverse and enthusiastic community of staff, pupils, parents and alumni. It is important that our staff reflect the diversity of our community, and we therefore welcome and encourage applications from people of all genders and sexual orientation, those from Black, Asian and other minority ethnic backgrounds, and those with disabilities.

The successful candidate will be required to fulfil all of the duties, as outlined in the job description. In addition to this, the candidate should possess the following competencies which are essential to this position:

QUALIFICATIONS & EXPERIENCE

- Experience as an excellent classroom teacher.
- Relevant degree level qualification.
- Post graduate professional qualification e.g. PGCE.
- Strong level scholarship in Textiles.

SKILLS

- A passion for Textiles and Textiles education together with excellent subject knowledge.
- A commitment to developing innovative and stimulating pedagogy.
- Evidence of continued professional development.
- ICT literate.
- Excellent time management and organisational skills.
- A commitment to getting to know each student as an individual learner.
- An understanding of the important role of practical work in Textiles education and a willingness to lead trips.
- An understanding of the NEA requirements for KS4 is desirable
- Knowledge and experience of using various types of technology to enhance teaching and learning, desirable but not essential.
- Ambitious to establish and develop actual and virtual links with the wider Textiles education community, desirable but not essential.
- Willingness to work as part of a team.
