Why Work For Us?

Since becoming an academy in September 2009, Kettering Buccleuch Academy has seen many exciting changes. We are an all-through academy catering for students aged 4-18. We moved into our new, purpose-built building in January 2013. The academy continues to go from strength to strength, with happy and motivated staff, a supportive culture and plenty of opportunities for personal growth with our excellent staff CPD offer. We offer a range of benefits including our wellbeing and workload manifesto, Health Cash Plan, covering healthcare, lifestyle and retail benefits, and an on-site gym which is free for all staff to use.

Our pledge to all our academy staff, is that by working for us you will benefit from more pay, more time, and more support. We offer the best pay in the sector, three extra INSET days for planning, a genuine flexible working approach considered, guaranteed personal days, great training for your career, and more.

We are proud to be Pearson Silver Award Winner (2023) in the category of Secondary School of the Year. We were delighted to achieve this recognition for our students, parents and staff.

The leadership of the school is highly focused on creating an environment in which teachers can focus on their core role: to deliver excellent lessons. The student behaviour system is simple, easy to administer in lessons, and takes the burden away from teachers.

“Leaders consider the workload of staff. They have ensured that staff can work in a flexible way, which many appreciate.”

(Ofsted, February 2026)

Our Vision

“To foster an inclusive community where every student thrives, enriches their skills and character, and achieves academic excellence.”

Our Mission

“We are a flagship for all academies. Our educational environment is safe, stimulating, positive and supportive. We believe hard work equals success.”

Our Values

At Kettering Buccleuch Academy, we are committed to providing a friendly and safe environment for all pupils/students. Our values are at the heart of everything we do, and we strive to instil them in our students through our daily interactions, policies and practices.

We are committed to providing excellent education through which all pupils are able to progress, achieve and go on to succeed in life. Our approach is underpinned by a sense of moral purpose and commitment to doing what is right for children and young people, supporting colleagues to achieve excellence and acting with integrity in all our dealings within and beyond our community, in the interests of young people everywhere. We summarise this ethos as ‘the best in everyone’.

This ethos underpins our core values:

RESPECT

A quality shown through thinking and acting in a positive way about yourself and others.

AMBITION

A strong desire to achieve something.

DETERMINATION

The ability to continue to try, although it may be difficult.

A School of Character

Kettering Buccleuch Academy's Character Development Programme is delivered through the curriculum, assemblies, tutor time reading, PSHE and many other facets.

The Character programme is based on our core values of respect, ambition and determination.

At Kettering Buccleuch Academy we understand that there is more to a good education than just academic success. Our school aims to develop character, compassion and service. Young people are expected to contribute to their school and to society; to try things which they think they cannot do; to persist in the face of difficulty; to become resilient in overcoming obstacles; to manage themselves; to work independently on things which challenge them; to work with others and in teams; to be courageous and caring; to lead.

We want young people to look back on a joyful schooling which has inspired and challenged them, given them wide opportunity and prepared them for the ups and downs of life. We are therefore committed to providing all our students with a broad and balanced curriculum as well as cultural and social experiences that broaden horizons and support the development of character.

We fundamentally believe in nurturing talent within our staff body. Our in-house Continuous Personal Development Programme focuses on developing teaching and learning practices and techniques to ensure we become the best possible practitioners in the classroom. Further, we actively support staff in their CPD and ensure all leaders have formal leadership training through avenues such as the United Learning Leadership Development programmes as well as the National Professional Qualifications. Alongside this, we create succession planning for future senior positions.

Part of United Learning

Kettering Buccleuch Academy is part of United Learning; a large and growing group of schools aiming to offer a life changing education to children and young people across England.

Our schools work as a team and achieve more by sharing than any single school could. Our subject specialists, our group-wide intranet, our own curriculum and our online learning portal all help us share knowledge and resource, helping to simplify work processes and manage workloads for an improved work-life balance.

As a group, we can reward our staff better: with good career opportunities, better pay, benefits, and ultimately, the satisfaction of helping children to succeed. We invest in our staff wellbeing and our academies each have at least eight INSET days per year (with three of those solely dedicated to planning), and an ongoing group-wide wellbeing programme. It's an ethos we call 'the best in everyone'.

“Warm, respectful relationships between staff and pupils are noticeable. This creates a positive and nurturing atmosphere, particularly in the primary phase.”

(Ofsted, February 2026)

“The staff and students at KBA make it a special place to work.”
