START DATE: September 2026

SALARY RANGE: MPS/UPS + TLR 2a

DEADLINE FOR APPLICATIONS: Monday 18th May 2026 at Midday

INTERVIEWS: Thursday 21st May 2026

The Governing Body is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An Enhanced DBS check will be carried out for the successful candidate.

The school

Greatfields School opened in September 2016. We are located in Barking, East London, and are proud to be the first secondary school to be built on the Gascoigne Estate. We have quickly established a positive reputation with our parents and local community, and are known for our excellent behaviour and the high ambitions we have for the young people of this community. We currently have approximately 1250 students, including our Sixth Form which opened in September 2022.

We believe that our young people can compete with any other child in the country, despite the many challenges they face, and we do everything we can to ensure that they have the same opportunities as other young people across the country. It is incumbent upon us to give our students access to high quality teaching and learning; a broad, engaging and challenging curriculum; and to give them access to a wide range of activities, trips and clubs outside of the classroom to develop their cultural capital.

We care deeply about and understand the responsibility we have towards our local community. This is a school embedded in the community and is one which we are proud to serve.

We passionately believe in ensuring our young people feel safe and happy in school. This is done through the establishment of high expectations and clear routines and by taking a positive approach to behaviour at all times. This means that staff never shout at or demean our young people, and we understand the importance of mutual respect at all levels of the school.

We run a three Key Stage 3 and offer a broad curriculum to all of our students at Key Stage 3, including Food Tech, Art, Textiles, PE, Computing, Dance and Drama alongside the core subjects. At Key Stage 4, we offer a wide range of subjects including Health and Social Care, Sociology, IMedia, Dance and Drama. We also offer a broad range of subjects, both A Levels and BTEC, at Key Stage 5. The curriculum is constantly being reviewed and developed to ensure it is responding to the needs of our students.

Of equal importance is our extended curriculum offer, which provides our students with a wide range of clubs, trips and careers opportunities, which are free and accessible to all of our students. All staff are expected to support in the running of at least one club per week.

The role

This is an exciting opportunity for an ambitious leader, who is either an existing post holder or is looking for their first position of responsibility. Photography is an established subject that is growing in popularity. The successful candidate will build upon the current success of the department and explore the possibility of introducing it at Key Stage 5

Staff workload and wellbeing are at the heart of all decisions made by the Senior Leadership Team:

- Following feedback from staff the frequency of the setting and marking of Formative Assessments has been reduced from once every three weeks to once every half term; the number of drop ins and after school meetings for ECTs has been reduced; more collaborative planning has been introduced to reduce staff's planning time.
- Mutual respect is one the school's core principles and there is a zero tolerance approach to the bullying or harassment of staff.
- Every member of staff has regular line management meeting, and the first item on the agenda of these meetings is staff wellbeing. Staff are encouraged to raise any concerns they may have via these line management meetings.
- Teachers' contact hours are very reasonable and compare well when benchmarked against local schools.
- Staff breakfast is provided every Wednesday morning in the staffroom.
- The sending of e-mails has been limited to between 7am and 6pm on weekdays only, in order to support staff in preserving a healthy work/life balance.
- All staff have free access to the Employee Assistance Programme, which is paid for by the school.
- Staff shout outs take place every week during the weekly staff briefing, in order to publicly recognise the exceptional work that is being done on a daily basis by our staff.
