About the School

Thorpe Primary School is a wonderful, multi-cultural school where children feel safe, happy and secure, and leave well-prepared for the next phase of their education. An engaging and innovative curriculum inspires children and equips them with skills, experience and confidence to achieve their best. We strive for children to develop into successful learners and well-rounded individuals through high-quality teaching and pastoral care across the school.

Our dedicated staff work incredibly hard to secure good outcomes for children. They work together to ensure the curriculum we offer is purposeful and memorable for all children as well as offering a wide range of extra-curricular activities and opportunities.

Our provision is enhanced by our good relationships with parents, Academy Committee and the wider community, all of whom we work in partnership with.

We are located within the bustling city of Peterborough and enjoy direct rail links with London. Peterborough is known for its diverse and inclusive culture which is something we celebrate throughout our school; with 28% of our pupils having English as an additional language. We are proud to serve the families of Netherton and western Peterborough.

We have high expectations for all our pupils and staff, and consider our families to be partners, recognising the vital role that they play. We want to work together as a team to fully realise the potential of all of our children.

We benefit from an on-site internal Nursery, which is the main feeder Nursery into our school and now also have an Alternative Provision provider on site with whom we work closely to share knowledge and expertise. We work closely with our four Trust schools (Jack Hunt, Longthorpe Primary, Nova Primary and Ravensthorpe Primary), as all schools are within a maximum 15-minute walking distance from each other, which allows us to work collaboratively with our peers across both primary and secondary settings. We are all proud members of Keys Academies Trust.

We benefit from wide outdoor spaces, including a luxurious school field and dedicated play areas and outdoor learning environments, including a recently refurbished outdoor EYFS and Nursery space and a new playground area for our Potter High Needs classroom. Due to the locality of Jack Hunt School and Ravensthorpe Primary School, our pupils are able to benefit from the Forest School environments located at the two school sites.

We welcome new colleagues to join our dedicated team who will bring energy, optimism and a drive to build dreams for our pupils.

About the Trust

Our trust is a vibrant, diverse, and ambitious group of five academies in west Peterborough. Formed in 2018, we are a relatively young trust, which emerged from a strong, but loose, alliance of primary schools working with Jack Hunt secondary school.

Our schools serve communities which have many similarities but also significant differences, due to the cultural and economic diversity of the city. We celebrate these differences and ensure that each school retains a distinct identity within the trust.

Working together as a multi-academy trust has allowed us to use the expertise across our 5 schools to meet our common goals to give our pupils and students an inclusive, innovative learning community that respects and benefits everyone and has aspirational plans for the future. Our vision is to unlock the potential and create strong life chances for all the children we educate.

All in our trust have high aspirations for, and high expectations of, every single pupil and student. We want them to be well-rounded, confident, caring young people with leadership skills who are motivated to achieve their best in lessons and beyond the classroom. We want them to be involved in the school, local and global community and leave us as life-long learners, equipped to build on their success and contribute positively to our future.
