# WELCOME FROM THE HEAD OF SCHOOL

---

Hayes is a happy, welcoming school where together we strive for excellence in everything we do. At Hayes, we offer an exceptional range of experiences and opportunities—many of which are rare to find in a state school. We believe that the memories and relationships formed through trips, clubs, and shared experiences are often what stay with students and staff the longest—and they enrich our lives in powerful, lasting ways. Through the “Hayes Way,” we show our deep commitment to personal development: to helping young people build character and become the very best version of themselves.

At the heart of this commitment are two simple but powerful questions that guide our staff’s work with your children:

- [Would this school be good enough for my child?](#)
- [Would I like to work with a colleague like me?](#)

I believe that hard work gives us purpose and unlocks success. It’s through this shared sense of endeavour that our students go on to achieve grades they can be proud of—and, more importantly, the future they deserve.

I’m incredibly proud to lead Hayes—a school rated *Outstanding* by Ofsted in 2022 and recognised with the *World Class Schools Quality Mark*—and I very much hope to read your application.

# ABOUT HAYES SCHOOL

---

### Our School

Hayes School is a high achieving, oversubscribed and well-disciplined 11-18 co-educational school with excellent accommodation and facilities set in very attractive grounds. We provide an outstanding education for our students as well as exciting opportunities for professional and career development for staff. Our 1700 students have a desire to succeed and to learn displaying excellent attitudes and behaviour. Relationships between students and staff are very good and staff enjoy opportunities to lead and participate in a wide range of extra-curricular activities and trips. (There are over 80 clubs and over 100 trips take place every year)

In September 2022, Hayes School was judged Outstanding by Ofsted:

- "It is clear that Hayes School provides all pupils with an exceptional experience."
- "Pupils behave extremely well. They are polite, respectful of others and have excellent professional relationships with their peers and teachers".
- "Leaders and teachers have developed a consistent approach to their work in the classroom".
- "A great deal of emphasis is given to ensuring that teachers are experts in their subjects".
- "Staff were especially positive about the way their wellbeing and workload is considered by leaders".

Attainment and progress are high and above local and national averages. In 2025, students achieved considerable academic success in GCSE, A level, vocational and L1/2 qualifications. 81% of GCSE students achieved at least a Grade 4 in English and Maths, and 1 in 3 grades were Grade 7-9 with student making excellent progress across a range of subjects/courses. In Year 13, 28% of all A-Level grades were at A\*-A and over 60% of all grades were an A\*-B. Our average A-level and Vocational grades were a B- and Distinction- respectively.

Our Sixth Form of 500 students is heavily oversubscribed and successful. "The Sixth Form curriculum meets the needs of all students and includes a range of academic and vocational qualifications (Ofsted 2022)."

However, Hayes is not complacent. We have a relentless commitment to improvement. We judge everything we do by the standard "would this be good enough for my child?" All staff go the extra mile to provide challenge, support and opportunities for every child.

We are very proud of our school, of the opportunities we provide, and of our role in the community. We strive to build on our success creating an environment where each individual is valued: an environment that fosters acceptance and compassion, vibrant, caring relationships, life-long learning skills and a strong sense of moral purpose.

## **Our students**

Our students are a delight to work with. They are kind, caring and supportive of each other. We have “uncompromising aspirations” for all and encourage our young people to aim high and to live our motto “Excellence through Endeavour.” Hayes students want to do well and recognise that they need to work hard to achieve their own personal ambitions. The “Hayes Way” enables all students to demonstrate the behaviours for learning we expect and supports us in sustaining an environment where all are respected and can be safe, happy and successful.

We recognise our responsibility to prepare students for life beyond school and place equal emphasis on the development of skills and attributes as we do success in public examinations. ‘The Hayes Learner’ promotes reflective, creative, communicative, independent and collaborative students and at their heart, we expect our students to be kind, respectful, responsible, tolerant and proud.

We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to participate in school life and to lead our school. There are countless opportunities to volunteer, mentor other students and participate in extra-curricular clubs, activities and educational trips and visits.

## **Our staff**

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. Our newly launched Teacher Professional Growth programme supports teacher professional development within ‘teaching and learning communities’ as we model our commitment to lifelong learning to the students we teach. In this respect, we balance the needs of the school with those of the individual. Teaching and leadership development programmes are delivered in-house and there are

opportunities to mentor and support trainee and early career teachers, or to participate in coaching programmes.

An induction programme, staff buddies and an active staff committee all contribute to helping staff new to the school to find their feet. All staff are willing to share expertise, resources and ideas and are a great source of support.

We are committed to working in partnership with other schools, both within and outside our Trust. We encourage and support further learning and research and there are opportunities for specialist career progression and to work with and support other schools through networks and partnerships.

Staff regularly go the extra mile at Hayes to support students and to give their time to the broad extra-curricular programme, which includes sports, music, drama and a host of trips, exchanges, clubs and other activities.

We are a friendly team of teachers and associate (support) staff and look forward to welcoming you to our school.

### **The Impact Multi Academy Trust**

Hayes School joined with Ravens Wood School in April 2017 to form the Impact Multi Academy Trust.

In September 2022, our trust merged with Langley Park Learning Trust to form a new trust of seven schools (Clare House Primary School, Hawes Down Primary School, Hayes School, Langley Park Primary School, Langley Park School for Boys, Langley Park School for Girls and Ravens Wood School). This year, we have added an eighth successful school to our trust with the inclusion of Darrick Wood Secondary School.

It is rare to see two high performing, like-minded trusts come together in the interests of providing better and more sustainable education and care for all of the children in their schools and community, but we believe this is what the Impact Multi Academy Trust is.

Our schools are popular and high performing, serving the same community. They are also driven by a commitment to improving even further to deliver the very best education, care and life chances for all children. We are driven by educational and moral purpose as well as enlightened self-interest. We want all schools within the Trust to retain their identity and compete, but also to collaborate to provide an outstanding educational experience that impacts on the life chances of all students. This is reflected in our Trust vision, mission and values.

There is an African proverb "If you want to travel fast travel alone. If you want to travel far travel together." Together in collaboration, we will build on the strengths of all schools, address those areas that could and should be improved further, and travel both fast and far in the interests of all our students.

Working within a trust provides opportunities for support from a network of teachers and support staff across all our schools.

### THE MFL DEPARTMENT

---

The Modern Foreign Languages (MFL) department at Hayes School Bromley is a vibrant and successful area of the school, supported by a dedicated team of specialist teachers with strong subject knowledge and a passion for languages. The department benefits from well-equipped classrooms and access to ICT facilities, enabling engaging, interactive, and culturally rich lessons. Languages are highly valued within the school, and there is consistent student interest, particularly in German at Key Stage 4 and Key Stage 5.

At Key Stage 3, students are introduced to a range of languages, with German playing an important role in developing their linguistic foundations. Pupils build core skills in listening, speaking, reading, and writing, while also gaining insight into German-speaking countries such as Germany, Austria, and Switzerland. Lessons focus on phonics, vocabulary acquisition, and grammatical structures, helping students to develop confidence and accuracy from an early stage. Cultural awareness is embedded throughout the curriculum, encouraging curiosity about traditions, festivals, and everyday life in the German-speaking world.

At Key Stage 4, students can choose to study GCSE German, typically following a recognised exam board such as AQA or Edexcel. The course develops practical communication skills and deepens grammatical understanding. Students explore topics such as identity and culture, local and global issues, school and future aspirations, and travel and tourism. There is a strong emphasis on spontaneous speaking, accurate writing, and comprehension skills, as well as translation between English and German. The course equips students with transferable skills such as problem-solving, memory techniques, and intercultural understanding.

At Key Stage 5, the department offers A-Level German, which is popular among students with a strong interest in languages and culture. The course builds on GCSE knowledge and introduces more advanced language structures, alongside the study of German society, politics, and culture. Students explore topics such as social change, multiculturalism, artistic culture, and aspects of political life in German-speaking countries. They also study a German film and literary text, developing critical and analytical skills in the target language. In addition, students complete an individual research project on a topic of their choice related to the German-speaking world, fostering independence and intellectual curiosity.

Across all key stages, the German curriculum promotes confidence in communication, resilience, and independent learning. Key skills such as translation, grammatical accuracy, and critical thinking are introduced early and refined throughout students' language learning journey. The department supports students through targeted intervention, revision sessions, and enrichment opportunities such as language clubs, cultural events, and, where possible, trips or exchanges to German-speaking countries.

Teaching is supported by a wide range of resources, including digital learning platforms, authentic materials, and up-to-date cultural content. This ensures that students engage with both traditional and contemporary aspects of German language and culture, preparing them for further study and a wide range of future career opportunities in an increasingly globalised world.
