New Hall School

The Best Start in Life

Appointment of International Admissions Administrator

Application closing date: midday, ?

Start date: as soon as possible

Welcome from Mrs Jeffrey, Principal

"Thank you for your interest in this opportunity at New Hall School. I joined the New Hall School community 24 years ago and, now that I am both the longest serving Head of a school in HMC and the longest serving Head in New Hall's history, I am often asked what has kept me here. It started with that first visit, in 2001, which blew me away. I remember meeting confident, characterful, good-humoured students, who made a lasting impression on me with their kindness and their evident pride in being part of the New Hall community. They spoke with passion about the work of the New Hall Voluntary Service (NHVS) as being central to School life. Their generosity of spirit and commitment to the care of those in need turned out to be a hallmark of a New Hall education. This is a place with a remarkable sense of community. At first, you will be attracted by the stunning

heritage site, but, above all, it is the people who keep you here. I would not want to move anywhere else. As a parent, I could not have asked for a better education than New Hall gave my four children. The staff team here work with remarkable commitment and care to ensure that our children have the 'best start in life'. This is the school that many of us, staff and parents, wish that we had attended. I am looking forward to the next 20-year development plan!

New Hall, from its foundation, has been pioneering and innovative. The School is the UK's oldest Catholic school that has always taken girls; a strong commitment to promote equality, and to address disadvantages in society for girls and women, still prevails. Our outreach and community work led us to be the first independent school to sponsor a state primary school academy. We were the first Catholic diamond model school and the first diamond model school to be created from a former girls' senior school, with senior boys joining from 2006. The School has invested in exceptional outdoor learning, using its 180-acre campuses.

The School is large and diverse: in age, from 1-19; in size, with 1,400 students and over 300 staff; in culture, with students from over 25 countries; in religion, as a Catholic school, welcoming all who support our ethos; in structure, offering the full range of flexible boarding options and a mix of co-education and single-sex teaching; and in educational range, with a broad curriculum and an exceptional co-curricular programme. Every day is full of opportunities to learn and grow, for staff as well as for students. It is impossible to be bored here - no two days are the same!

This is an exciting opportunity to be part of one of the UK's most successful schools, with an ambitious plan for further development. Where many independent schools are retracting and reducing investment, New Hall is bucking the trend and continuing to grow and to strengthen our provision. We are investing in our Sixth Form Centre, expanding our curriculum, growing our Sport provision (most recently, with the addition of riding, football and basketball) and enhancing our co-curriculum. We are open to opportunities to expand the work of our Trust, both in the UK and internationally, through our links with sister schools and Religious Communities. In particular, we are developing a link with the École Christ Ressuscité, Masaka, Rwanda, and with Heilig Graf Secundair, Turnhout, Belgium, which share the ethos of the Canonesses of the Holy Sepulchre. New Hall also works closely with the other Catholic independent schools in Brentwood Diocese.

I hope that you find the information contained in this pack, and on our website, helpful."

Mrs Jeffrey and Mr Fardell receive their long service awards, having given 68 years of service between them, to Catholic education. The awards were presented by Bishop Alan Williams SM at Brentwood Cathedral. Pictured here with the resident Canonesses at New Hall.

Our Most Valuable Resource – Our Staff Team

New Hall benefits from a stable and committed staff body, with retention and length of service significantly exceeding sector averages for UK independent boarding schools. Across the independent sector, annual staff turnover is typically in the region of 16-18%, and average tenure is around three to four years. By contrast, New Hall reported an annual turnover of 3% in the last 12 months, and an average staff tenure of five years.

At New Hall, over 17% of employees have more than 10 years' service, reflecting the strength of our collegiate culture, clear sense of mission, and commitment to professional development. Staff are supported and encouraged in their career development, including through generous funding for courses, and flexible working/sabbaticals for study and training. In 2024-25, 30% of staff progressed, internally or externally, into new roles, promotional opportunities, or additional responsibilities. Since 2020, New Hall has trained 11 staff as teachers, through the school-based PGCE and ECT courses. The School welcomes apprentices and graduate entry applicants for a range of roles, to have a diverse workforce, combining experienced staff and new talent.

About New Hall School

New Hall School is a thriving co-educational boarding and day school for 1,400 students aged 1-19. Founded in 1642, it is one of the oldest Catholic schools and the largest Catholic boarding & day school in the UK. The School's ethos continues to be inspired by its founding Religious Community, the Canonesses of the Holy Sepulchre.

*"True community is where people listen to each other;
where the marginalised and excluded are included".*
(Canonesses of the Holy Sepulchre, 2023)

The charism of our founding Religious Community is service and hospitality; this is lived out in the actions of the volunteers that take part in this thriving and popular programme. Founded in 1978, the New Hall Voluntary Service (NHVS) has been providing help and support to vulnerable members of our local community for over 45 years. Volunteering for NHVS promotes an enduring community spirit, nurtures responsible citizenship and encourages student-led charitable endeavour throughout the local area.

New Hall is a warm, welcoming, and supportive community, with a staff of around 300. Staff enjoy an exceptional working environment. The main campus occupies the stunning Grade I listed former Tudor palace of Beaulieu, and is surrounded by 75 acres of beautiful parkland and heritage gardens. The School's conference and events venue is at the Grade I listed Boreham House, with 35 acres of grounds, one mile away. The School also owns New Hall Park Farm, a 70-acre site with an equestrian centre, 3-miles from New Hall.

Beaulieu Park railway station is at the entrance to New Hall's Avenue: 30 minutes to Stratford and 38 minutes to London Liverpool Street. The Elizabeth Line at Shenfield (13 minutes by train) terminates at Heathrow airport. There are nearby airports: London Stansted, London Southend and London City.

Chelmsford is a dynamic and welcoming city, with a population of around 190,000. Recognised as the *Sunday Times*' 'Best Place to Live in the East' in 2025 and 2018, and listed among the top ten best places in the East of England in 2019, it offers an exceptional quality of life. The city's rich history, vibrant cultural scene, and strong sense of community make it an attractive place to live and work.

An extraordinary school with a distinctive character and close-knit community, New Hall is popular with local, national and international families. The School is oversubscribed at key entry points. An early adopter of the diamond model, it offers a vibrant education for girls and boys, with single-sex teaching in the Senior Divisions for Years 7 to 11, and co-education in the early years, Preparatory Divisions and Sixth Form.

New Hall prides itself on the quality of teaching and learning. Seeking the highest possible levels of academic attainment is a priority. The School is equally proud to offer a rounded education, focused on developing the whole child. There is a strong emphasis on co-curricular enrichment – as recognised in its recent ISI Inspection reports. The School excels in sport, having recently been awarded Outstanding Sport in a Large School by the Independent Schools Association (ISA). Alongside traditional sports, it is home to the largest independent school ski team, benefits from a professional cricket coach, and is proud to include elite national golfers within its student body. With a well-established on-site farm, woodland school, and equestrian centre, the School makes the most of its unrivalled space to embed the many benefits of outdoor education into the curriculum for all age groups.

The School has made extensive capital investments across its estate over the past 20 years. Recent developments include: a purpose-built Nursery, a Sixth Form International Business & Languages Centre, a canopied outdoor performance space, a Chaplaincy suite, outdoor basketball courts, and a second Cookery room.

In 2012, the School established the New Hall Multi Academy Trust (NHMAT) and became sponsor of nearby Messing Primary School – an Ofsted-rated ‘Good’ school. It is now looking ahead to new ventures and exciting opportunities to further grow its partnership work.
