At Discovery Trust, our mission is to ensure that all our pupils realise their potential.

Our mission starts inside every school and central department. It is reflected in our culture and is reflected by all the colleagues we work with. In the pursuit of our mission, we employ a diverse range of highly talented people to co-construct the very best places to learn, with innovative solutions to ensure that all children achieve. Discovery continually builds to creating an organisation that celebrates individuality, initiative, ownership of colleagues' responsibilities and intelligent collaboration.

Discovery Schools Trust

Discovery believe everyone should have limitless learning opportunities and places staff development and wellbeing at the centre of our strategic planning.

All colleagues are offered training opportunities, high quality professional development and ongoing feedback through carefully structured appraisal systems.

Our Apprenticeship Strategy improves year on year as new employment opportunities are created for people wanting a career in education as well as providing existing staff opportunities to start new learning journeys to gain higher work based qualifications that help them grow but have a positive impact on the organisation.

We are committed to helping our employees develop their skills and qualifications and have a fantastic track record of career progression.

Sharon Walker
Headteacher

Welcome to Braunstone Community Primary School.

Our school is at the heart of a vibrant, multi-cultural community, where personal development for pupils and colleagues is the driving force in all that we do. We live and breathe our values of 'Belong, Care Persevere and Succeed' and they are the golden thread through everything.

In 2021 we won School of the Year and in 2025 we received another "Good" rating from Ofsted. We are also a Microsoft Showcase School, leading in the integration of technology to enhance personalised teaching and learning.

We have the best children at our school, who deserve the best educators to take them on an exciting educational journey, achieve academic excellence and ensure they make the right choices in life.

We support our staff to shine with their talents and develop as leaders at all levels. We have a strong family ethos and offer a nurturing environment, where you can change children's lives every single day.

I am privileged to be the headteacher at this fabulous school and would like to take this opportunity to thank you for your interest in joining our school team and look forward to meeting you soon.

Why Braunstone Community Primary School?

The school has a dedicated and hardworking staff who work tirelessly to support every child – striving to provide the best possible learning experiences both inside the classroom and out.

Our dedicated well-being team work at the heart of our school and provide care for the children and their families. They provide vital links between the community and us. To the school, parental involvement and engagement is paramount and, as such, families are frequently invited to come in and see what their children are learning.

Braunstone Community Primary School provides a level of togetherness, support, and care that I feel allows children to flourish. They can try without the worry of getting things wrong and know that we will always support them to find a solution that best suits them.

In Discovery I know that I have other POs that I can lean on and I know I have the backing and support from my line manager(s) to ensure that this school and every school we work with is as safe as possible for all children and staff.

Our vision

Regardless of your role within Discovery, we are working for something bigger.

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

Our values

Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localised set of values to ensure their community is engaged and successful.

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

Jane Pinborough, HLTA Kibworth CofE Primary School

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the Senior Leadership Team. My ideas are heard and challenged but ultimately met with positivity.”

Head of Estates**
