# WELCOME TO ST JOHN'S & ST PETER'S

Our school has a distinctive Christian ethos and caring atmosphere where each child is valued for their individual talents and abilities. At St John's & St Peter's CE Academy we encourage each child to live life to the full through our Christian vision 'God's Love in Action' and our Christian values of contribution, understanding, peace, trust, resilience and joy. We aim for them to be confident, kind, responsible children who care about their school, local community and the wider world. We hope to see children flourish, our culture transformed and our community thrive.

We are proud of the relationships that we have with all members of the school community and especially the parents. Together we work in partnership to ensure we provide the best possible education for every pupil and provide opportunities for pupils to grow both academically, personally and spiritually.

*St John's & St Peter's CE Academy is a happy and successful school located right at the centre of the bustling community of Ladywood, Birmingham. We are ideally located in close proximity to the City Centre, which gives our children the opportunities to access learning in many areas of the curriculum from the wider community.*

Our expectations of one another are high. We make every effort to meet these by creating a stimulating, challenging and happy learning environment. We focus on all aspects of a child's development and believe that they receive the best quality of education when the whole school community is working together in partnership.

# WELCOME FROM THE CEO AND THE CHAIR

## Welcome to St John's & St Peter's CofE Academy.

Dear Applicant,

Thank you for your interest in the position of Headteacher at St John and St Peter's Church of England Primary, Ladywood.

Our school is a very special place. Rooted in its Christian foundation, St John and St Peter's serves a wonderfully diverse community where every child is known, valued and loved. We are proud of the way our staff team goes above and beyond to support pupils and families, and how the life of the school reflects our shared belief that every child can flourish and make a difference in the world.

We are seeking a Headteacher who will lead with integrity, warmth and a deep sense of purpose. Someone who recognises that education is about far more than academic outcomes; it's about helping children to grow in confidence, character and faith. We want a leader who will cherish our Christian ethos, build strong relationships, and bring a clear vision for the next stage of our journey. This is a community that understands the difference a great school can make; not only to the children who walk through its doors each day, but to the families and neighborhood it serves.

You will find here a committed team of staff, an active and supportive governing body, and strong partnerships with our local church and community. Together, we are ambitious for our children and determined to provide them with the very best start in life.

If you share our belief that schools can transform lives and communities, we would be delighted to hear from you. St John and St Peter's is a place full of potential, hope and opportunity. We are excited to welcome a leader who will help us continue to grow and thrive.

With warmest wishes,

*Sarah Smith*

Chair of Governors for

St John and St Peter's Church of England Primary

### Who are we?

The Fioretti Trust was established in 2016. St John's & St Peter's joined the Trust in September 2024. The Trust began with St Francis CE Primary and Nursery as the founding school. 'Fioretti' (which means: Little Flowers) is the title of a book containing a collection of popular

stories about St Francis. It was followed by St Barnabas joining in October 2019, St Mary's in 2021 and St Thomas CE Primary Schools joined in September 2024. Further growth has been approved by the Department of Education and a further three schools are joining this academic year.

The ethos of the Trust is to enable all schools to maintain their unique identity and celebrate the individual distinctiveness of each school, whilst working together at a time where the function of local education authorities has diminished. We are proud to serve a range of communities across different areas of Birmingham.

### St John's and St Peter's Headteacher: who are we looking for?

We are looking for a Headteacher with a proven record of outstanding leadership, sustained school improvement and providing high quality education for all. Our new Headteacher will have a clear and strategic vision for our Christian school. Most importantly, we are seeking an enthusiastic individual who will live and breathe our Values and will engage effectively with all levels of stakeholders – our wonderful children, dedicated staff, committed governors and trustees and supportive parents/carers. We are therefore looking for a leader who will actively promote Christian distinctiveness in every aspect of school life.

If you think you have the passion and drive to fulfil this role, please read on!

I hope this pack is informative and provides you with the key information to help you decide whether to apply for the position. However, I encourage you to arrange a tour of the school or contact me to discuss the position in further detail. St John's and St Peter's is a welcoming and happy place to visit and I'm sure you will learn more about its greatness and potential.

Kind regards,

*Claire Grainger*

Head of Fioretti Trust.

# OUR SCHOOL DOG

Lucca is a Goldendoodle. Golden Doodles are known to be hypoallergenic dogs, holding the qualities of their Golden Retriever and Poodle parents making them well-trainable, caring, sociable dogs. The breed has been carefully selected because of its ideal temperament and because it is used widely in the field of therapy and support (e.g. guide dogs).

Lucca joined Mr Bateson's family during the 6 week's holiday and has already made a big impression. She is very friendly and loves to play fetch. She is learning incredibly fast, and Mr Bateson is working hard to ensure she is well-trained for being around children and in a working environment.

## What are the benefits of having a school dog?

Numerous research studies have shown the benefits of therapy dogs in schools. Therapy dogs have been working in schools for the past 5 years across the UK. However, they have been commonplace in schools in the USA and Australia for many years.

The benefits include:

*“This is a happy and caring school. Everyone is welcome and all pupils and staff are valued.”*

*Welcome to the Fioretti Trust, founded on the Christian values of aspiration, wisdom and compassion.*

The Fioretti Trust was established in 2016, with St Francis CE Primary School and Nursery as the founding member. Since then, the trustees have worked to evolve effective systems that support and challenge our schools.

We are fortunate to have experienced, committed and passionate staff, governors and trustees who are dedicated to support & challenge each other to ensure we accomplish remarkable things and create a lasting legacy for generations to come.

Being part of a Trust gives our staff access to exciting professional development opportunities, gives children the chance to interact with others from different schools and provides challenge and support to school leaders through effective governance.

Fioretti is an inclusive Trust where everything begins and ends with the children, this vision involves everyone working together to achieve and be the best. As a family of schools, we strive to provide the best learning opportunities for the communities we serve and ensuring we are living our Trust values: aspiration, wisdom and compassion.

As a Trust we promote the individuality of our schools and provide them with the freedom to develop their own strengths, distinct character and to meet the needs of their communities, whilst at the same time seeking to maximise the benefits of being part of a larger network and collaboration.

**Claire Grainger**  
Head of Trust

Fioretti means “Little flowers” and is the title given to a collection of stories about Saint Francis. The Trust was established in 2016 and the founding school is St Francis. The trustees wished to give a subtle acknowledgment to the founding school and therefore decided to create a name with a connection to St Francis.

# HEAD OF ETHOS

Denise Gardner

Having worked in church schools for nearly 10 years, I am passionate about the **Christian vision of educational flourishing**. This clear view of flourishing allows us to see pupils, staff and families as whole human beings and gives us the important focus on relationships and working towards a 'greater good'.

In no other type of school is the strong drive to make a difference to lived experience more evident than in a church school living the Church of England's vision for education and the impact of this cannot be underestimated.

I work across all our schools to support and explore how we can best live our ethos and flourish together.

Through this opportunity, I am able to share my expertise, organisation and leadership of Safeguarding to ensure that the Lead DSL's and staff across our trust are fully supported.

I aim to be a supportive, caring, understanding, passionate leader and look forward to continuing work with staff, across the trust, to ensure we have outstanding practices and systems in place to keep the children, parents and staff of the Fioretti Trust safe.

Fioretti Trust is committed to Safeguarding and Promoting the Welfare of all its students. Each students' welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.
