Our SCHOOL

“

As a two-form entry primary school, we are passionate about nurturing a growth mindset in both our students and staff. Here, we believe that every child should achieve their potential, fostering a love for curiosity and learning from the very beginning. We are equally dedicated to the professional growth of our teachers and staff, recognising that we are all lifelong learners, regardless of experience. Through continuous professional development (CPD), coaching and peer mentoring, we provide a supportive environment where staff share good practice, grow and inspire one another. We're a great team here at Hammond Academy. If you are interested in joining us, we would love to hear from you.
