FRANCIS HOLLAND SLOANE SQUARE

General Information

Francis Holland Sloane Square is a highly sought-after, independent selective school for around 590 senior pupils aged 11 to 18 (HMC and GSA). The School is located on a spacious site in a beautiful residential part of Belgravia, close to the Saatchi Gallery and many cultural institutions such as the Victoria and Albert Museum, the Science and Natural History Museums, the Royal Academy and the Tate Galleries. The proximity to Imperial College offers us unparalleled access to lectures and support.

The School has enjoyed some significant building developments in recent years to accommodate a dramatically increasing roll and our vision for creative learning for the real world. Most recently, the Sixth Form (130+ pupils) has moved into a spacious and inspirational building called The Old School House, which forms a bridge with the local community and provides an exciting environment for young people to develop their entrepreneurial talents.

Francis Holland Sloane Square is overall a vibrant international community, and families from major cities abroad often seek places for their children here as a priority. Each member of staff is involved in the pastoral life of the School, normally as a Form Tutor, and the care of the children is renowned and exceptional. A team of counsellors provide constant support to the pupils and staff, reflecting our emphasis on supporting wellbeing.

A very wide range of co-curricular opportunities is also offered to the pupils, and all staff contribute to this vibrant and vital dimension of the School. Over sixty clubs and societies, outstanding music and drama opportunities and our renowned art department are complemented by an exceptional sporting reputation which benefits from the superb facilities of nearby Battersea Park. Overseas trips and annual expeditions for all pupils build resilience and independence. The School has a distinctive emphasis on creativity and innovation, and all pupils learn to use their 'time, talent and treasure' in the service of the local and wider community. Volunteering and fundraising are strong, and all students develop an understanding of social enterprise, with many setting up their own business ventures. The School has several energetic partnerships, including a link school in Tanzania.

Academic standards are consistently high throughout the School, placing it amongst the most successful schools in the UK. On leaving, after A Levels, students proceed to a wide range of prestigious higher education courses, sometimes after a gap year. The staffing ratio is generous, and the School has its own attractive salary scale.

Art Department Information

The Art Department teaching staff share a passion for their subject and a commitment to providing Art lessons for all our students that are engaging, thought-provoking and challenging. Our overarching aim is that students should become skilful, confident and perceptive in using and responding to Art in all its aspects. They should be given opportunities to explore a wide range of artists and cultures. We hope to instil a lifelong love of Art and to give each pupil a 'toolbox' of creative skills.

We teach art to all girls in year 7, 8 and 9 and the GCSE Fine Art course (OCR) is often very popular, with thriving numbers. We offer A level Fine Art (AQA) and this is also a very popular option, with many of our A level students continuing their creative journey at foundation level courses in this country and abroad. We have a lively and enthusiastic range of clubs and clinics on offer each week, as well as a thriving Art Scholars club.

Positive working relationships are fostered with our students, and respect for others is encouraged at all times in the classroom. Independent learning is also encouraged through homework and research, as well as creative projects and initiatives such as participation in art competitions. Self-confidence is nurtured through expectation of participation in class discussions. Personal, moral and spiritual development is supported through the study and exploration of chosen artists, visits to galleries and museums and the questions and discussions that arise from this.

At all levels, the Art Department offers a stimulating and challenging curriculum which provides plenty of opportunities for enrichment, including gallery trips, residential art trips and visiting art artists and designers.

The role of the Art Technician is so important to the department, ranging from the everyday household maintenance of the three art rooms, the running of the stock room and stock orders to the important building of the annual GCSE and A level Art Shows.
