# Welcome from the Principal

Thank you for showing an interest in working at Alcester Grammar School. AGS is truly a special, unique and outstanding institution that offers a **rich, ambitious curriculum** and a **broad all-round education**, supported by **outstanding pastoral care**. We are looking to appoint a **Head of Economics** and a **Head of Business** who can both convey a real passion for the subject and contribute fully to the [school's wider aims and vision](#). Alternatively, a **combined role of Head of Business and Economics** is available for the right candidate. [Please make it clear in your application which role\(s\) you are interested in](#). I very much hope that this booklet, in conjunction with our [website](#), will help you to understand both the specific advertised role and the school more widely.

At AGS we know and understand that our staff are key to our success. As Principal, I promise every member of staff appointed to AGS every support I can offer. If you would like to talk through the post prior to application, then please don't hesitate to contact me at [r.thorpe@alcestergs.com](mailto:r.thorpe@alcestergs.com). Tours of the school can also be arranged - we would be delighted to show you around.

Thank you again for your interest in the post – please do not hesitate to get in touch.

Rachel Thorpe - Principal

# Why work at AGS?

Why do AGS staff generally stay so long and describe the school as the best that they have ever worked in?

- At AGS teachers have the **freedom to teach**. Students have a thirst for learning, they are highly motivated and engaged. Teaching at AGS is **fun and rewarding**.
- A culture of **professional autonomy** and a supportive staff - you join a real 'AGS Family'.
- We recognise that our staff (like our students) have other commitments away from school and are entitled to a **healthy work-life balance** and we support our staff with family or other commitments wherever possible.
- **High quality bespoke CPD** is provided for all staff - we are committed to supporting professional development.
- We are located in a highly convenient location in South Warwickshire, just over half an hour's drive from Birmingham and easily commutable from Worcester, Stratford, Coventry, Warwick or Cheltenham. It is a **beautiful part of the country** with superb amenities and eminently affordable housing. Anybody joining us is likely to see not just a significant increase in the quality of their professional life, but a commensurate increase in the quality of life outside of school.
- **Free onsite parking, onsite gym and multi-faith prayer room**

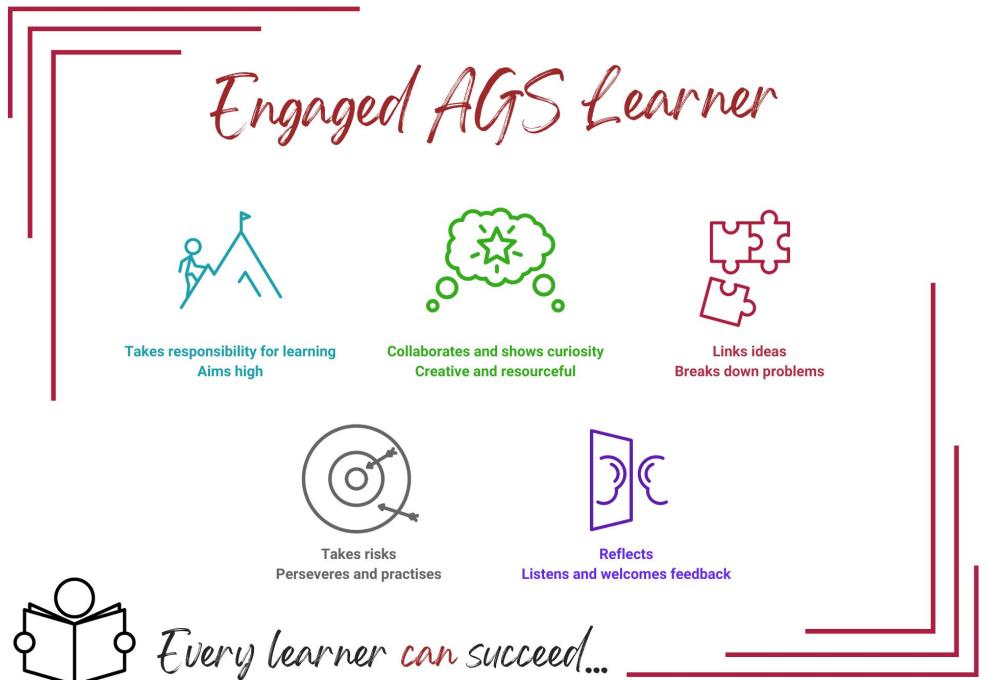

# Learning at AGS

AGS is a unique and special place to learn. We take a holistic view of learning, emphasising the rewards of deep understanding of the subject, instilling a love of learning and its challenges. Our curriculum is knowledge rich, however we are equally committed to the development of specific learning skills, as shown in our definition of an 'Engaged AGS Learner'.

Our vision is to give each of our students the best possible future, and our curriculum is at the heart of this ambition. More information on our KS3 and KS4 curriculum can be found [here](#), whilst details of our 6th Form curriculum can be found [here](#).

At AGS we ask staff as well as students to be 'life-long learners', hence our commitment to bespoke CPD for all staff.

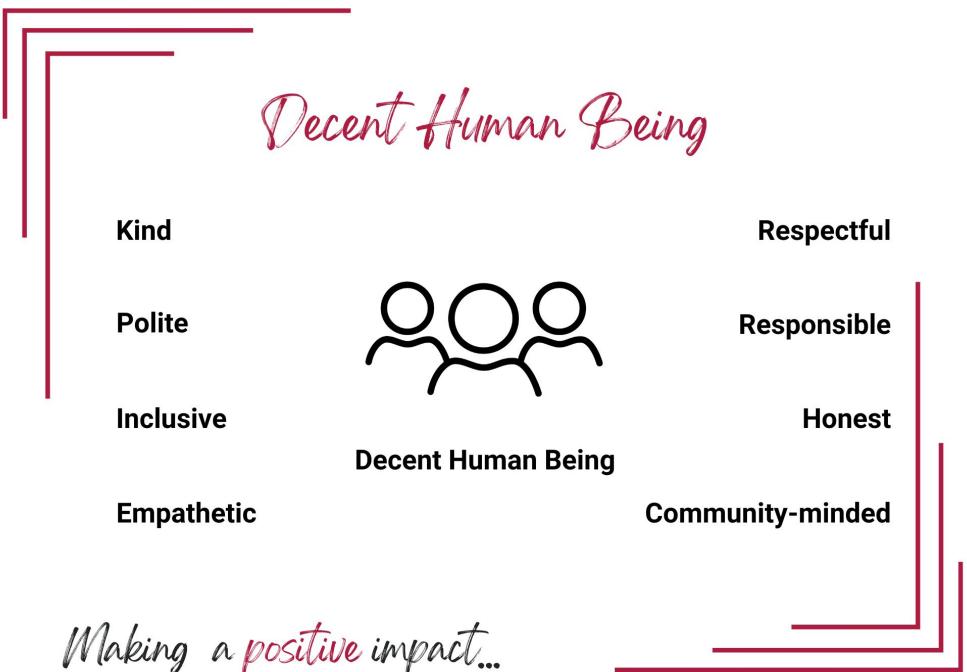

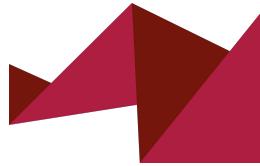

# Pastoral at AGS

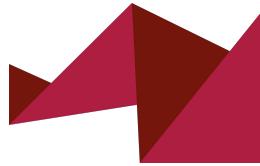

Pastoral care at AGS is second to none. Students are well supported by both the 7-11 and 6th Form Hubs - and all teaching staff pay a vital role as a Form Tutor.

A key part of what makes AGS special is our commitment to developing 'DHBs' - Decent Human Beings. As a school we have recently worked to define this, as shown opposite. These traits are the focus of a strong assembly programme, that also aims to link seamlessly with our PSHE, Life Programme in the 6th Form and excellent Careers provision.

At AGS we are a fully inclusive school - Ofsted recently noted that pupils 'treat everyone with courtesy and respect those with different lifestyles and backgrounds. Pupils have a strong understanding of equality, diversity and inclusion. They accept that individuals can be themselves'.

Student voice is important at AGS; the Student Senate meet half termly to feed back to SLT.

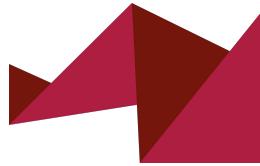

# Opportunities at AGS

AGS offers a wide variety of extra and super-curricular opportunities beyond the classroom. We believe that all our students should have the opportunity to develop new skills and find different interests and hobbies. Taking part in clubs is also a wonderful way to make new friends and have fun with others who share similar interests.

Students are able to take part in a wide range of sports, music and drama opportunities as well as variety of co-curricular and fun clubs and societies. These are led by staff in their specific field of expertise and/or interest area and a number of clubs are also initiated and run by our students themselves.

As a staff member joining AGS, it is an expectation that you will play a full role in all areas of school life - not just in the classroom. In return you can expect opportunities to travel the world on our significant number of international trips, to work with students in new and creative ways and to share your own passions (often outside your subject area) with our curious and committed students.

# The Department

## The Department Team

Members of the department teach across the Y10-Y13 age range. For full up-to-date details about the curriculum content, please visit the school website <http://www.alcestergs.co.uk> and follow the “Subjects” link to Business or Economics.

In KS4 lessons we deliver OCR GCSE Business to three parallel groups. We provide an interactive forum for discussion and utilise a variety of teaching methods to provide a vibrant learning environment.

At A level we deliver OCR Business and Economics. These subjects are typically taught by two or three members of the department so that the students receive a varied input into their education on a weekly basis.

# The Department

A Level teaching is central to the job as typically over 140 students take our two A Level courses each September. We have a strong record of success with a significant number of our students going on to study our subject at university or securing places on prestigious school leavers' and apprenticeship programmes, for example at KPMG, PWC and Mondelez International.

The teachers of Economics and Business are a close knit team who are experienced in supporting each other through collaborative teaching and planning. Some are also examiners for the boards we deliver which informs best practice and benchmarking in our assessment. This additional element greatly enhances our ability to deliver in the A Level classroom.

Beyond the curriculum we provide wider reading lists and enrichment activities to develop our students' keen minds.

Here are some of the extra-curricular opportunities we offer to students; the list is not exhaustive and we fully welcome new ideas and initiatives.

- 'Working Lunch' - a programme of visiting speakers on Business & Economics related topics
- RES Essay Competition
- CIPFA Challenge
- Young Enterprise and our own AGS Social Enterprise
- UK and international trips
