At Astrea Academies Trust we are values-driven. At Longsands Academy, our values are scholarship, curiosity, tenacity, respect and responsibility. We are unapologetically ambitious for every child, no matter what their background, prior attainment or needs. We want to ensure that all our scholars have the option to be able to go to university or real alternative. We are not going to reduce expectations because of a child's background or home life or because of a special educational need, in fact the opposite is true, as we know the transformational impact of education outcomes and family values. It is our job to redouble our efforts to help children overcome any barriers so that they can flourish.

If you are committed to working hard and care deeply about improving the life chances and life choices for our scholars we would welcome your application.

About the Trust

The trust has 26 academies across South Yorkshire and Cambridgeshire

We are committed to ensuring that all children in the trust have accelerated opportunities that enable them to learn, thrive, and lead successful lives. Our ambition is to tackle historical educational disadvantage and to play our part in the social regeneration of areas that have experienced poor education opportunities.

The trust has grown rapidly since its creation and now educates around 15,000 students in 26 academies. In Cambridgeshire, the trust comprises four secondary schools and one SEMH special school. In South Yorkshire, the trust works through seventeen primary academies, one all-through school, and three secondary schools.

The trust's Executive Team is led by Rowena Hackwood as Chief Executive Officer. A wider central team supports the work of individual academies in core areas such as academic support, inclusion, governance, finance, HR, estates, and IT. With a 2030 strategy in place, we are clear and specific about our vision for behaviour, curriculum and teaching quality.

All our academies are rated **GOOD** by Ofsted.

About Astrea Academy Trust

A KNOWLEDGE-RICH EDUCATION

By a knowledge-rich education, we mean a rigorous and extensive knowledge-based education, that draws its material and methods from the best and most important work in both the humanities and the sciences.

The aim of a core knowledge education is not primarily to prepare students for a job or career, it is more to transform their minds so that they are able to make reasonable and astute judgments and engage fruitfully in conversation and debate – not just about contemporary issues, but also about the universal questions that have been troubling mankind throughout history.

We want children to leave our schools with the confidence that comes from possessing an essential general knowledge. A knowledge-rich education should not confine itself to the Western canon but should embrace other cultures and traditions. What that canon includes will be subject to review but will always be closely connected to the history and the present nature of the society in which we live, including our international connections.

Codifying Culture

‘We are what we repeatedly do.
Excellence, then, is not an act, but a habit.’

Excellence is a habit

Students rise to meet our high expectations. Maintaining our standards is paramount to establishing strong cultural norms and fostering a culture of excellence.

Warm/Strict (WWF)

We maintain high expectations for students while fostering an environment of warmth, genuine care, and positivity. This nurtures a supportive learning atmosphere which is both disciplined and joyful.

Joy and belonging

Belonging is one of the most powerful human emotions. Our school creates warm, welcoming, and friendly environment that are fully inclusive, ensuring every student feels joy and a sense of belonging.

Kindness & Politeness

These values are essential for a positive school culture. We foster an environment where kindness, politeness, and gratitude are consistently practiced, creating a respectful and supportive community for all students.

Purpose not power

Actions, intentions, and words are guided by purpose, not merely by positions of authority. All colleagues can clearly articulate the rationale behind actions and decision-making processes.

Over communication

We consistently revisit and reinforce our mission, values, and principles. Over-communicating our core purpose ensures everyone remains aligned. Our values are lived not laminated.

Codifying Culture

‘A strong culture is taught not caught’

Praise & Recognition

Recognition, praise, and rewards drive positive change. We aim to praise students every lesson, every day. Sanctions are issued when wrong choices are made.

Rowing together

Aligned around our vision and values, all staff row together with relentless consistency. Ignoring issues undermines our culture; instead we collectively row together for the benefit of all.

Aspiration

We deliver a knowledge-rich curriculum providing the foundation for excellent outcomes and further opportunities. We believe everyone can succeed. We focus on raising attainment, not just aspirations, turning goals into reality.

Sweat the small stuff

Leaders and staff adopt a meticulous approach, with a relentless drive to ensure fundamental basics are consistently in place and maintained at all times.

Teachers can teach and students can learn

We are committed to fostering an environment where exemplary behaviour is the foundation for disruption free learning. All teachers and support staff can teach and do their jobs free from disruption, no matter their status.

Routines

Universal classroom routines help establish a culture focused on learning. By setting shared expectations and consistent behaviours, we shape the values and norms that define our school community.

How to apply

Your application

If you like what you've read so far and think you can see yourself as a key member of the Astrea team, it's time to fill in your application.

Your application is an important part of the selection process as it's used to determine whether or not you'll be chosen to have an interview. It's really important that you try to capture all of the relevant information we have asked for on the form so we can get a good feel for who you are and why you're great.

All applications must be submitted through My New Term - the link to our careers page is here: [Astrea Academy Trust Careers Page](#)

Tips for a great application

- Check out the person specification - this highlights the key aspects we're looking for.
- Be yourself. Your personality, values and vision are the most important to us - you must be a great fit!
- Be sure to read this pack and our policies thoroughly to ensure you are fully aligned to our ways of working. If so - tell us about it!
- Make sure you tell us what skills you have that make you perfect for this role. Tell us the impact of your work, don't just list the tasks that you have completed.

- Make sure you include paid work, unpaid work and any work experience in your employment history. Start with your current employment, or if you are currently unemployed, your most recent employment. If there are any gaps in your employment, you must tell us why for safer recruitment purposes.
- At least one of your referees should be your current employer. If you are not currently employed, provide your most recent employer. If you don't have any employment history, think about professional referee's who would best describe your strengths for the role and your suitability to work with children.
