Availability & Application

You may apply to teach on as many courses as you wish, although teachers who have not previously worked for us are normally only contracted for up to two courses. Please make sure you are available for the duration of any course you apply for including the induction session for the first course selected. Provisional course schedules are available from the Academic Principal. Most lessons are scheduled in the mornings including teaching sessions on the weekends and all elective choices are in the afternoons. There is a maximum of 3.5 hours of lessons in any morning teaching session and a maximum of 6 hours of lessons per day for senior teachers including the afternoon elective.

Contracted teaching hours include lesson breaks, with approximately 5 hours of breaks for 40 hours of tuition for the Seniors teachers and of approximately 5 hours for 36 hours of tuition for the Juniors teachers. There are two breaks in each morning teaching session for seniors, one for seniors in the afternoon elective session and three for juniors during which teachers are rostered to monitor students. Teachers on both Senior and Junior courses are expected to assist on all their allotted student breaks. For Junior teachers, 4 hours of the 40 contract hours are assigned to other non-teaching duties, such as accompanying the students to the dining hall and leading/participating in the start of day morning junior assembly.
