An Academy of Character and Excellence

Respect ■ Determination ■ Ambition ■ Tolerance ■ Integrity

Northampton Academy is seeking an enthusiastic and dedicated Cover Supervisor

We seek an enthusiastic, innovative and resilient individual who will provide strong support and assistance to staff and students across the whole academy.

You will be expected to present pre-prepared work to groups of students. This will normally happen in the absence of the class teacher. The post also includes other supervisory duties and administrative tasks. You will be extremely organised, focussed and have a calm and friendly approach. You will have great patience and empathy along with excellent interpersonal skills, as this role involves dealing with students, staff and colleagues within the academy. You will enjoy working with young people and can work independently but be able to judge when to ask for help and support.

Northampton Academy is part of United Learning, a unique group of independent and state schools working together to achieve the best in everyone. Our vision is to provide excellent education, so that all young people are able to make a success of their lives and, if we are to realise this vision, we need to make sure we attract, develop and reward the key ingredient – high quality staff such as you.

Northampton Academy is committed to equal opportunities and to the protection and safety of all students and adults. We expect all staff and volunteers to share these commitments. The post will be subject to an enhanced DBS Disclosure.

The successful candidate will fully embrace our values of Respect, Determination, Ambition, Tolerance and Integrity, and will have a working knowledge of how these will apply within a Secondary Academy context and within the role itself.

For further information about the role, please contact Kirsty Davis, Vice Principal (k.davis@northampton-academy.org).

" The school's curriculum is broad and ambitious in all three key stages and for all pupils, including those with SEND. Leaders have carefully planned the curriculum so that pupils can learn new knowledge in a highly structured way."

(Ofsted, 2023)

A Letter From The Principal

Dear Colleague

I am thrilled to extend a warm welcome to you to Northampton Academy. It's an excellent decision to join our team, and I assure you that working here will be a fulfilling experience. You will receive support and guidance to develop your skills as you progress in your career.

We are part of United Learning, a network of academies, primaries and independent schools throughout the UK. United Learning's motto, "The Best in Everyone" resonates with us and is the driving force behind our commitment to excellence.

Our vision is straightforward:

"To be recognised internationally as an inclusive school of character and excellence. To provide an unrivalled experience that allows our students to flourish and leave a legacy the community is proud of."

Our mission is equally simple:

"We exist to provide the students of our community with equal or better life chances

than any student in the UK."

We are all working together to achieve our goal of becoming an inclusive school of Character and Excellence. We aim to showcase the fantastic work we have done in various areas, such as our Character and STEM programs, on a national and international level. I am delighted to have a dedicated team of professionals who will help us move forward in realising our vision.

The safety and wellbeing of our students is our top priority. It is at the heart of everything we do. We are proud of our "exceedingly strong culture of safeguarding" (Ofsted, March 2023) and our students thrive because of it. We are proud to have been judged outstanding in all areas during our most recent inspection in March 2023.

We believe in the importance of work-life balance and recognise that spending quality time with family and loved ones is crucial. Therefore, there is no email communication from 5.00pm to 7.30am during the week and no emails over the weekend. We have a 'flexi-working' policy where every teaching member of staff has a morning or afternoon off each week, allowing them to pursue activities they enjoy. At Northampton Academy, we value trust, and I trust that you will effectively perform your duties and balance work with personal life. We offer many ways to support staff wellbeing and you will come across more as you progress in your career with us. We are seen as a leading school in the UK for our work around staff wellbeing.

I operate an open-door policy and I welcome any staff member to come and speak with me regarding any issues they may have. I will always try to find solutions or offer support to find them.

People often say, "I got into teaching to make a difference" and at Northampton Academy, you can make a real difference. Our school has transformed over the past few years and our students have high aspirations and regularly progress to the best universities and apprenticeships.

Northampton Academy is a unique place, and I am confident that it will only continue to get better. I wholeheartedly recommend Northampton Academy as the next step in your career.

Yours sincerely,

Why Work For Us?

The leadership of the academy is highly focused on creating an environment in which teachers can focus on their core role: to deliver excellent lessons. The student behaviour system is simple, easy to administer in lessons, and takes the burden away from teachers. Therefore, detentions, follow ups and communications with parents, etc., are conducted by the pastoral and senior teams. Teachers at the Academy speak of this as one of the major benefits of working here.

In addition to this, teachers are trusted to be professionals through:

- No unannounced observations
- No lesson grading
- A feedback and recognition policy that lets teachers decide the best feedback mechanism for their own classes, rather than having this prescribed centrally
- Departments set their own feedback and recognition policy and have no expectation of teachers spending extra time marking
- 3 extra INSET days per year collaborative team planning
- No emails (except safeguarding) after 5.00pm and at weekends
- A genuine flexible working environment
- Access to newly refurbished gym on site

Centre of Excellence Award

At our core, we embrace the motto 'Our Differences Unite Us'. Our dedication to inclusivity led us to undergo an evaluation by the Inclusion Quality Mark, resulting in the prestigious Inclusive School Award. Throughout the two-day assessment, our staff, students, parents and carers engaged extensively with the assessor, allowing her to gain a deep understanding of our comprehensive approach to inclusion. The assessor was profoundly impressed by the conversations and observations during her visit, and as a testament to our excellence, she also honoured us with the esteemed 'Centre of Excellence' Award.

These Awards recognise our unwavering commitment to delivering and promoting inclusive education across eight key categories. Our efforts extend from classroom instruction and learning experiences to broader engagements with students, parents and the local community.

Several notable initiatives exemplify our dedication to fostering inclusivity. Last year during Pride History Month, we empowered our students to lead a vibrant Pride March, embracing and celebrating diversity. Furthermore, we have created a serene Sensory Garden, providing a nurturing space for students with Special Educational Needs. In line with our 'Community Matters' initiative, we established a food bank to address local needs and implemented a school uniform swap facility, supporting students and their families in times of need.

At the academy, we take great pride in embracing the belief that 'our differences unite us'. We are wholeheartedly dedicated to weaving inclusion into the very fabric of every aspect of school life.

ACE School of
CHARACTER

A School of Character

Northampton Academy is a nationally recognised school for its Character Development Programme, which is systematically delivered into the curriculum through lessons, assemblies, tutor time reading, PSHE and many other facets.

The Character programme is based on our 'pillars of virtue':

- **Respect** - showing consideration for the views, opinions, and beliefs of others
- **Determination** - never giving up
- **Ambition** - aiming high, not just for what you want to be, but who you wish to be
- **Integrity** - doing the right thing, even when nobody is watching
- **Tolerance** - the ability and willingness to accept the existence of opinions or beliefs that are different from our own

Staff play a vital role in this development of students' character and we are all expected to role model these virtues at all times. This is vital in the 'caught' aspect of our character programme. New staff must also buy in to this value led approach, and are expected to understand the importance of developing character in young people.

We firmly believe in developing leadership for all and, as such, we provide opportunities for all staff and students.

We fundamentally believe in nurturing talent within our staff body. Our in-house Continuous Personal Development programme focuses on developing teaching and learning practices and techniques to ensure we become the best possible practitioners in the classroom. Further, we actively support staff in their CPD and ensure all leaders have formal leadership training through avenues such as NPQSL or NPQML. Alongside this, we create succession planning for future senior positions.

For students, we promise the young people of Northampton Academy 'leadership opportunities for every student, every year' to ensure we develop them to be the future leaders of our country. This strand of opportunity for our young people is one of many that we use to help develop the character of our students.

" My professional development is supported and encouraged. I am trusted to manage my time and resources – micromanagement is non-existent. I can bring my authentic self to work, and diversity of thought is welcome. " (Staff Survey November 2022)

'There is little doubt that Northampton Academy can be considered one of the most successful schools in the country in terms of its character development programme and its direct impact on standards.' - The Association of Character Education

Part of United Learning

Northampton Academy is part of United Learning, a large, and growing, group of schools aiming to offer a life changing education to children and young people across England.

Our schools work as a team and achieve more by sharing than any single school could. Our subject specialists, our group-wide intranet, our own curriculum and our online learning portal all help us share knowledge and resource, helping to simplify work processes and manage workloads for an improved work-life balance.

As a group, we can reward our staff better: with good career opportunities, better pay, benefits, and ultimately, the satisfaction of helping children to succeed. We invest in our staff wellbeing. Our academies each have at least eight INSET days per year (with three of those solely dedicated to planning), and an ongoing group-wide wellbeing programme. It's an ethos we call 'the best in everyone'.

The Academy, which has adopted the mantra 'Our Differences Unite Us', was assessed by Inclusion Quality Mark for the Inclusive School Award. The assessor spent two days at the school, speaking with staff, students, parents, and carers to gain an overall understanding of the school's approach to inclusion. Following her visit, the assessor was so impressed by what she had seen and heard that, alongside this award, she also presented the school with the prestigious Centre of Excellence Award.

In achieving these awards, the Academy was recognised for how it delivers and promotes an inclusive education across eight key categories, including through teaching and learning in the classroom as well as through wider engagements with students, parent and the local community.

As examples of this, last year the Academy held a student-led Pride March during Pride History Month and introduced a Sensory Garden as a quiet space for students with Special Educational Needs to enjoy. More recently, as part of its 'Community Matters' agenda, the school set up its own food bank and has introduced a school uniform swap facility to support students and their families.

“The behaviour of pupils is exemplary. They are respectful, well-mannered and polite. They exhibit the school’s values of respect, determination, ambition, tolerance and integrity. Pupils said that bullying is not tolerated. It happens rarely. Pupils know the importance of treating everyone as an equal. Pupils say that ‘difference unites us’.”
(Ofsted, 2023)

‘There is a consistent approach to managing behaviour across the school. Staff understand pupils and their individual needs. Behaviour is excellent. Pupils are highly respectful and supportive of each other.’

(Ofsted, 2023)
