

## **POST TITLE: Teacher of Science**

**Required for:** September 2026  
**Salary:** MPS/UPS – applications from ECTs are welcome  
**Contract:** Permanent  
**Hours:** Full-time

The Wensum Trust is seeking to appoint a committed and enthusiastic colleague to teach Science at Acle Academy, part of the Wensum family of schools. We welcome applications from teachers who can bring a real enthusiasm to the school and who will continue to raise the already high standards of educational achievement.

Acle Academy is a thriving oversubscribed secondary school for 11–16-year-olds located in the heart of the Broadland area only 12 miles from the centre of Norwich. We strive to create well-rounded, responsible individuals who seize opportunities, discover their passions and love to learn throughout life. Acle Academy has a strong academic reputation and was graded **Ofsted 'Good'** in 2022.

The Science faculty consists of five teachers and this is an exciting opportunity for an enthusiastic colleague to join this motivated team. We are looking for a committed, proactive and hardworking full-time teacher of science, with a good subject knowledge and a sense of enjoyment for science. The successful candidate will be required to teach Science across Key Stage 3 and Key Stage 4. Students enjoy Science and achieve good outcomes in their GCSE examinations at Acle Academy, which has been shown by strong success rates. However, the successful candidate will need to have, or establish, tools to promote an enjoyment of the subject in students who may not be so enthusiastic. This post represents an excellent professional development opportunity for an enthusiastic and committed teacher of science to develop their classroom practice by working as part of a strong and dedicated team both departmentally, and beyond. Knowledge of the various AQA GCSE Science specifications would be advantageous and a strong commitment to extra-curricular opportunities is desirable.

Are you:

- enthusiastic about your subject?
- a dedicated and imaginative practitioner, who is passionate about teaching and learning?
- someone who has high aspirations for students, and can contribute new and innovative ideas to curriculum and extracurricular developments?

Through partnership to excellence, The Wensum Trust is committed to offering excellent professional opportunities and learning opportunities for its staff.

The Wensum Trust is committed to the protection and safety of children and expects all staff and volunteers to share this commitment. All staff appointments are subject to satisfactory references, an appropriate Enhanced DBS check and successful completion of a six-month probationary period.

The Wensum Trust warmly welcomes applications from all sections of the community.

Further details are available on request from:

Email: [info@acle.norfolk.sch.uk](mailto:info@acle.norfolk.sch.uk)

The closing date for applications is **9:00am on 23<sup>rd</sup> February 2026**

Interviews will be held: **27<sup>th</sup> February 2026**

We reserve the right to close this vacancy early if we receive sufficient applications for the role. Therefore, if you are interested, please submit your application as early as possible.

We are committed to supporting equal opportunities and diversity in our interactions with job applicants, employees, children, families and communities. We are fully committed to creating a safe and supportive work environment based on mutual trust and respect. Our top priority is the protection and safeguarding of children and we expect our staff and volunteers to share this commitment. All staff appointments are subject to an enhanced DBS check and safer recruitment practices in line with Keeping Children Safe in Education (2025).
