WHO WE ARE

At Cygnus Academies Trust, we are proud to be a growing network of eight primary schools across South East London, Dartford and Tonbridge. Our mission is simple yet powerful: to realise ambition for pupils and staff alike, by delivering the very best education and creating opportunities for all.

Founded in 2016, we have built a collaborative network of schools that nurtures, challenges and supports every member of our community. Each school retains its individuality while benefiting from shared expertise and trust-wide support. As a Trust community, we believe in:

- Celebrating uniqueness – Each school retains its individuality while benefiting from shared expertise.
- Collaboration at every level – From leadership to classroom practice, we work together to achieve excellence.
- Investing in people – Staff development and career progression are at the heart of what we do.

Our schools are vibrant, welcoming places where you can grow, develop, and make a real difference.

Our Vision

Our core purpose is to ensure every person, adult or child, we work with realises their ambition. Through our network of sustainable schools, we aim to:

- Give every pupil access to exceptional education and opportunities that empower them to thrive.
- Work collaboratively with high expectations to embed strong practice and achieve success across all schools.
- Equip pupils with the skills, knowledge, and understanding to thrive as local, national, and global citizens.
