Information for Applicants

Welcome

Dear Potential Applicant

Thank you for applying to work at Dulwich College. I hope that you will find the prospectuses and web pages useful and feel that they provide a better understanding of our aims, values and ethos. I also hope this booklet makes you feel you might thrive here, would like to join us and make a great professional contribution.

At heart, the College's focus ensures the wellbeing, experience and achievements of our pupils. We want them to be happy, to flourish and to get the very best from their time here. These aims also allow us to have a positive relationship with our families, and uphold our reputation and strategic ambitions.

We have a large, diverse, dedicated and talented team of colleagues. It is a huge collective effort to achieve our annual and long-term goals, and we could not do this without everyone working together in a diligent and good humoured manner.

As well as rewarding and fun, being part of the College is demanding at times and we have high expectations of all our colleagues. There are, however, many advantages and opportunities, which are better explained in this booklet. Put simply, we wish to get the best from everyone and we will seek to invest in you and develop you during your time with us.

We recognise that many of our colleagues are professionally ambitious. We will certainly help you in your aims, through mentoring, professional development courses and career opportunities.

We are fortunate to have a large College community, with several career pathways and experiences available. We hope that you will enjoy working here, really understand the value and the commitment shown by everyone and wish to play your part in the exciting life of Dulwich.

Robert Milne, Master

Jo Parker, Head of DUCKS

The College

Dulwich College is an academically selective independent school for boys in south east London, known for its inspired teaching, genuine scholarship and broad co-curricular life.

Our dedicated and increasingly diverse staff of approximately 250 teachers and 350 operational colleagues, support a pupil body of approximately 1,850 across the Senior and Junior Schools and DUCKS, our co-educational nursery and infant school.

Set within 70 acres of beautiful grounds, yet only 12 minutes by train from central London, the College offers an exceptional working environment — spacious, well-resourced and rich in heritage. The campus blends iconic listed buildings with award-winning new architecture, creating a dynamic and inspiring setting that values curiosity, creativity and collaboration among both pupils and staff.

Vision Values & EDI

Our Vision

To be an outstanding school that inspires every pupil to work, study and serve with purpose, developing the potential to make a positive difference in the world.

Our Values

Purpose, kindness and joy – underpin a culture of curiosity, creativity, compassion and integrity. We promote collaboration, resilience and appreciation of the benefits of living and learning within a diverse, inclusive community.

Equity, Diversity and Inclusion

We celebrate the diversity of our pupils, staff, alumni and parents, recognising that varied backgrounds and experiences create a vibrant and forward-looking community. Dulwich College stands firmly against discrimination in all forms and is committed to advancing inclusion, social responsibility and the core British values of democracy, liberty, respect, tolerance and the rule of law.

DUCKS Kindergarten & Infants' School

DUCKS is a coeducational Kindergarten & Infants' School offering an exceptional setting for children aged 6 months to 7 years of age. Surrounded by green open spaces, our dedicated and highly skilled team create a caring and nurturing environment where children grow in confidence as they start that all important learning journey.

The DUCKS campus is a short walk from the main College, offering an atmosphere of security and space for the youngest pupils. Both the Kindergarten and Infants' School are self-contained buildings and adjoining them are playgrounds, sports pitches and extensive playing fields. There is also a pond and an orchard, used for forest school.

Learning through play, learning through the environment and learning through meaningful and engaging experiences are key elements that build the foundations for a love of learning.

Our academic record is excellent and when our Year 2 children move on to their next schools, we are there to support and guide families through this process. We follow the progress of our DUCKS children carefully to create fruitful and effective transitions to future schools both in and out of London.

DUCKS benefits from all the College facilities including the swimming pool, Edward Alley Theatre and the Laboratory.
