About the Role – Meet the Team

The Business Development Manager is a senior sales leadership role responsible for driving revenue growth through new business development, employer engagement and strategic account management.

You will lead the sales team to achieve targets, grow existing employer accounts and secure new business across the College's apprenticeship and employer training offer. Working closely with the Head of Employer Training and Partnerships, Marketing and colleagues across the College, you will identify new markets, develop employer opportunities and deliver effective sales activity. You will use CRM data, market insight and performance reporting to manage the sales pipeline and drive growth.

A key focus will be developing strong employer relationships, positioning the College as a trusted training partner and maximising opportunities for repeat business, apprenticeship growth and long-term partnerships.

You will lead by example, setting clear expectations, coaching and developing the team, monitoring performance and creating a proactive, collaborative and target-focused sales culture.

About the Role – Duties and Responsibilities

- Lead and manage the team to achieve and exceed agreed sales and income targets, aligned to the College's financial plan and forecasts.

- Take overall responsibility for business development activity and sales performance, ensuring a consistent and proactive approach to generating new business.
- Develop and manage a strong sales pipeline, identifying prospects, qualifying opportunities, progressing leads and converting opportunities into new employer business.
- Identify and target new markets, sectors, employers and commercial opportunities to increase sales of the College's employer training offer.
- Develop and maintain effective new business development strategies, using networking, direct engagement, events, referrals and other appropriate channels to generate leads and opportunities.
- Work with the Head of Employer Training & Partnerships and Marketing to plan and deliver sales and marketing activity that generates measurable leads, opportunities and revenue.
- Set clear individual and team sales objectives, monitor performance against target and take action to address underperformance or maximise opportunities.
- Report regularly on sales activity, pipeline value, conversion, revenue and performance against target to the Head of Employer Training & Partnerships and the CFO.
- Monitor and manage the sales pipeline through the CRM system, ensuring opportunities, activity, forecasts and client information are accurate and up to date.
- Lead the development and growth of key employer accounts, identifying opportunities for upselling, cross-selling, repeat business and increased training provision.
- Monitor results from account management activity, including the management and development of key accounts alongside the Head of Employer Training and Partnerships
- Build and maintain a strong network of employer contacts and actively develop relationships that generate new sales opportunities and commercial partnerships.
- Maintain a strong understanding of the College's employer training products and services and ensure the team can confidently position and sell these solutions to employers.

About You

You will bring significant experience in business development, sales, and account management, with the ability to identify new opportunities and convert them into measurable outcomes. Confident using CRM systems and data to inform decision-making, you are proactive in managing pipelines and delivering results.

As a natural leader, you will have experience managing and developing teams, setting clear objectives, and driving high performance. You are an excellent communicator, able to engage confidently with a wide range of stakeholders and represent the organisation professionally within the business community.

You are adaptable, target-focused, and committed to delivering an outstanding customer experience. With a positive and solutions-focused mindset, you thrive in a fast-paced environment and are motivated by continuous improvement and achieving ambitious goals.

A collaborative approach is essential, alongside the ability to work cross-functionally and contribute to wider organisational success. Experience within the education, training, or apprenticeship sector would be advantageous but is not essential.

Our Shortlisting Criteria

Safeguarding

At Gloucestershire College, we are committed to promoting the welfare and safeguarding of our young people and vulnerable adults. The College expects all students, staff and visitors to share this commitment. Safer recruitment practices are an essential part of this commitment.

If shortlisted, you will be required to complete a self declaration of any criminal record or other information that may make you unsuitable to work with children. This includes explaining any gaps in employment. Applicants will be required to disclose any cautions, convictions, reprimands or final warnings in line with the Rehabilitation of Offenders Act. The College is committed to the fair recruitment of ex-offenders in line with its policy and legal responsibilities.

Candidates will be asked to provide evidence of their right to work in the UK. Satisfactory references and online searches will also be completed as part of the safer recruitment process. The online search reviews publicly available information, including social media, to identify any concerns that may require further discussion. References may be requested either before interview, with consent, or following an offer of employment.

All successful applicants will be required to complete an enhanced DBS check appropriate to the role.
