Trust Procurement Lead

<b>Job Title</b>	Procurement Lead
<b>Salary &amp; Grade</b>	Grade 10 SCP 32-35 (£42,839 to £46,142)
<b>Contract</b>	Full Time, All Year Round
<b>Reporting to</b>	CFO
<b>Start Date</b>	As soon as possible

Dear Applicant

Thank you for your interest in the role of Procurement Lead at Waterton Academy Trust.

We are delighted to share this opportunity with individuals who are passionate about strengthening financial stewardship, delivering value for money, and ensuring that every pound spent supports the best possible outcomes for our children and young people.

Waterton Academy Trust is a dynamic and growing multi-academy trust, comprising primary, early years and specialist settings across Wakefield and Barnsley. We are proud of our strong culture of collaboration, integrity and ambition for all learners.

As a publicly funded organisation, we recognise our responsibility to ensure that our procurement practice is robust, transparent and aligned with the Academy Trust Handbook. The introduction of this new post reflects our commitment to strengthening our commercial capability and ensuring that our systems, contracts and supplier relationships deliver both compliance and measurable value.

The Procurement Lead will play a pivotal role in shaping and delivering a Trust-wide procurement strategy that secures best value while maintaining the highest standards of governance and accountability. The postholder will lead compliant tender processes, oversee contract management, and work closely with school leaders and budget holders to support informed, evidence-based spending decisions.

A key aspect of the role will be driving innovation in procurement practice. This includes identifying opportunities for aggregated purchasing, exploring new frameworks and digital systems, and seeking collaborative procurement arrangements with other academy trusts and sector partners to maximise economies of scale and strengthen negotiating power. We believe collaboration across trusts is essential to securing sustainable value in an increasingly challenging financial climate.

The role combines strategic oversight with hands-on operational delivery. It requires strong analytical capability, attention to detail, and the confidence to provide constructive challenge where necessary to ensure regularity, propriety and value for money. The Procurement Lead will also support audit processes, risk management and continuous improvement of procurement systems across the Trust.

As Waterton continues to grow, there is genuine scope for this role to develop further in strategic influence and impact. We are seeking an individual who is excited by the opportunity to build a modern, innovative procurement function that supports long-term financial sustainability and contributes meaningfully to our educational mission.

If you are committed to strong governance, collaborative working and achieving best value through intelligent procurement practice, we would be delighted to hear from you.

We look forward to receiving your application.

## About Us

Waterton Academy Trust is a thriving and values-led partnership of schools committed to giving every child the best possible start in life.

Established in 2014 with Walton Primary Academy as its founding member, the Trust has grown steadily and strategically, guided by a strong moral purpose and a deep understanding of the communities we serve. We

believe that **success is a shared experience** - every learner, every member of staff, and every school should flourish, together.

By the end of 2026, we expect to support more than 4,000 pupils across our schools, with a dedicated team of over 600 staff and an annual turnover approaching £28 million.

Our growth has not been about size alone - it reflects the strength of our educational offer, the diversity of our provision, and the depth of our partnerships.

We work across two key regions - Wakefield and Barnsley - and are proud to be seen as a trusted and collaborative presence within the wider education system. All our schools are primary-phase, and collaboration sits at the heart of how we work. Our Trust continues to grow, with King's Oak Primary joining us in September 2025, and two other schools in the pipeline for growth.

In response to local need, our first independent special academy—Newstead Academy opened in Barnsley in 2023 and has already grown to include a satellite site based at Hunningley. Building on this success, we are preparing to open a new specialist setting - Hammer Lane Academy - in Wakefield in September 2025. These developments are a testament to our commitment to inclusive education and our ability to work alongside local partners to meet the needs of all learners.

We also know that a great start in education begins early. That's why we've expanded our offer to include four pre-school settings, with plans for further growth.

If you share our belief that all children deserve the highest-quality education and want to be part of a forward-thinking, people-centred organisation, we'd love to hear from you.

## Our Vision and Values

The Trust is proud of its shared vision and values, which are embedded across all aspects of our work.

This vision—centred on collaboration, aspiration, enjoyment, and equity—guides our actions and unites our schools in a common purpose. We aim to create a culture where success is a shared experience, every child enjoys a rich and relevant curriculum, and all pupils are supported to achieve their full potential, regardless of background.

Candidates interested in joining the Trust are encouraged to explore our vision and values to ensure they align with their own ethos and long-term aspirations.

## More information

Over the past decade, Waterton has evolved into a resilient and high-performing organisation, expanding not only in scale but in the depth, diversity and sustainability of our provision.

Operating across Barnsley and Wakefield, Waterton has built a strong reputation as a trusted partner that secures sustainable school improvement.

We specialise in high-quality early years, primary and specialist education. Our growth has been values-led, ensuring collaboration, financial stability and educational integrity remain central to our model. Schools work in close partnership, sharing expertise, accessing targeted professional development and drawing on collective capacity to solve challenges effectively.

Our ambition is to create an environment where success is a shared experience- by every pupil and every colleague. We are committed to ensuring that all children, regardless of background or need, experience academic achievement, personal growth and inclusion. At the same time, we prioritise staff wellbeing, leadership development and career progression, recognising that a strong, confident workforce underpins sustained improvement.

This commitment to workforce development extends beyond our academies. Since 2020, Waterton has operated as an independent training provider, delivering education-focused apprenticeships that respond directly to workforce needs across schools and early years settings. In June 2024, our apprenticeship provision was graded Outstanding by Ofsted.

We currently offer Level 3 Teaching Assistant, Level 3 Early Years Educator and Level 5 Specialist Teaching Assistant programmes, delivered through a model that secures deep learning and strong workplace application. Our curriculum is co-designed with schools and multi-academy trusts and delivered by Qualified Teachers with current primary and specialist expertise.

In 2025–26, 88 learners will be on programme. Our 76.9% achievement rate exceeds the national average (71.2%), 100% of completing apprentices pass their End-Point Assessment, and 40% of learners on our most recent programme secured promotion following qualification. This provision strengthens recruitment, retention and leadership capacity across both our Trust and the wider education system.

At the heart of Waterton we enable educational leaders to focus on delivering exceptional teaching and learning, grounded in evidence-informed practice. Through robust operational infrastructure, financial stewardship and professional challenge and support, we remove unnecessary business burdens so that leaders can concentrate on improving outcomes for children.

Waterton combines educational integrity with strategic ambition, whilst remaining focused on sustainable expansion, workforce development and deepening our impact across the communities we serve.

## Our Pupils

Waterton Academy Trust serves communities with some of the highest levels of deprivation in the region, and in the country. In response, we place children’s well-being, voice, and enrichment at the very heart of our work. We believe that every pupil, regardless of background, should feel the full benefit of belonging to a trust that puts their experience of school first.

Pupil voice is not just encouraged - it’s embedded in our decision-making. Our elected Children’s Parliament meets regularly with the CEO and Headteachers, sharing their views and shaping priorities for improvement. Their efforts were recognised nationally, receiving a letter of commendation from former Prime Minister Theresa May.

Beyond the classroom, we create rich and joyful experiences that promote creativity, confidence, and healthy living. Our roaming art gallery, Waterton’s Got Talent, and Waterton Young Chef of the Year celebrate the diverse talents of our pupils, while our annual MATlympics and extensive sports offer promote inclusion, teamwork, and well-being.

These experiences are not just events; they are integral to our mission—ensuring that every child in a Waterton school is heard, celebrated, and empowered to thrive.

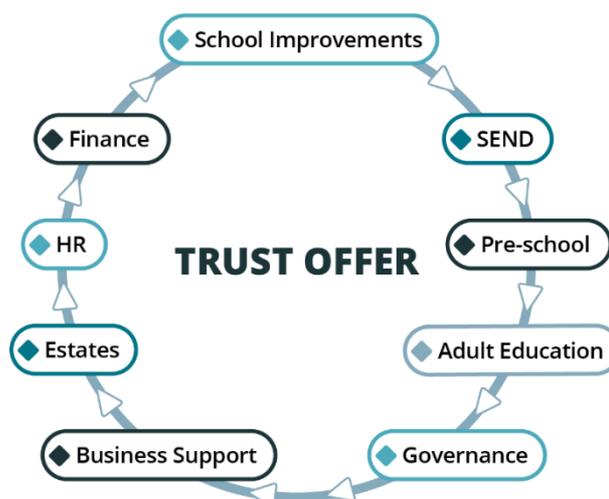

## Trust Offer

At Waterton Academy Trust, we are proud to provide a consistent, high-quality offer that enables every school - regardless of size, Ofsted rating, or context - to thrive. Our Trust Offer ensures that all academies benefit from the same comprehensive package of educational and operational support, tailored to meet individual school needs while remaining accessible to all.

This offer is underpinned by our belief that school leaders should be able to focus their time and energy on what matters most: delivering excellent teaching and learning. By reducing operational burdens and providing high-quality, evidence-informed school improvement support, we create the conditions in which pupils and staff can flourish.

Our investment in a strong and expert central team means that every school can draw upon specialist support in areas such as safeguarding, governance, curriculum, finance, HR, IT, estates, marketing, and data protection. This support is complemented by access to legal advice and professional development, including high-impact CPD, leadership development, and coaching.

The Trust Offer is more than a service package - it's a reflection of our values. It supports excellence, equity, and collaboration across all Waterton schools, enabling leaders to deliver the very best for their pupils, every day.

**To read about impact in 2025, please read our annual report to stakeholders on the Trust website.**
