for the vacancy of

TEACHER OF DRAMA

Start Date – 1st September 2026

May 2026

Thank you for your interest in the post of **Teacher of Drama** at Farmor's School – a full or part time permanent position starting on 1st September 2026. ECTs welcome to apply.

I hope that you find the information contained in this pack informs you about our school, but I would encourage you to come and visit us to see for yourself.

Please note that Farmor's School is committed to safeguarding and the post will be subject to satisfactory completion of enhanced checks through the Disclosure and Barring Service.

I fully appreciate the amount of time and effort it takes to prepare an application for a post such as this and I thank you in advance. In return I undertake that we will read every application very carefully, and to ensure that short-listed candidates have every opportunity to see the school in action, to meet as many colleagues as possible and to ask whatever they wish.

Please do not hesitate to contact us should you wish to discuss the post further or would like to arrange a visit.

I look forward to receiving your application.

With best wishes,

Mark Surowiec

Headteacher

Farmor's School

Teacher of Drama

Start Date – 1st September 2026

The Role

We are looking to appoint an enthusiastic, creative and dedicated Teacher of Drama to join our successful and supportive department of Drama & Theatre. The successful candidate will inspire learners across Key Stages 3, 4 and 5, delivering engaging and challenging lessons that nurture confidence, creativity and a love of theatre.

The role will involve planning and delivering high-quality teaching, assessing progress effectively and contributing to the promotion of drama through theatre trips. The ability to teach Drama at GCSE and A-Level is essential, and experience of theatre-making through directing and design would be highly valued.

This is an exciting opportunity for either an experienced teacher or an ambitious Early Career Teacher to join a department committed to developing cultural capital, achieving excellent outcomes and providing memorable opportunities for learners.

The Person

The successful candidate will be a passionate and motivated teacher who:

- Has qualified teacher status (QTS) or is working towards it
- Has strong subject knowledge and enthusiasm for Drama and Theatre
- Can inspire and engage learners of all abilities
- Demonstrates excellent classroom management and communication skills
- Is committed to high standards of teaching, learning and achievement
- Works collaboratively and positively as part of a team
- Is willing to contribute to the organisation of curricular and extra-curricular theatre trips
- Shares the school's commitment to safeguarding and promoting the welfare of children and young people

The Department

The Drama & Theatre department is a small team of supportive, innovative and committed staff who work collaboratively to ensure learners achieve their potential both academically and personally. We work collaboratively to deliver a broad and ambitious curriculum that encourages creativity, resilience and self-expression.

We have a clear focus on engaging learners through drama and theatre as a medium for storytelling. Our curriculum is designed to provide opportunities to develop skills to make meaning from the world, develop empathy and creativity through engagement in practical exploration of texts and contexts as individuals and working in groups. Learners are provided with a range of opportunities to perform, develop design skills and engage with live theatre experiences.

All learners in KS3 have a one-hour Drama lesson every week with the option to progress to GCSE and A-Level. We aspire to nurture in our learners an understanding and appreciation of drama and theatre as well as knowledge about a wide range of culture that they can deploy in any given situation in the future. Through drama we can help them to become better thinkers, problem solvers and communicators.

The School

Farmor's School is an 11-18 school in Fairford, a small town in the Cotswolds which is in easy commuting distance from Cirencester, Stroud, Swindon and Cheltenham. Most staff who work at the school live in the Cirencester area, Swindon, Cheltenham and Oxfordshire. Students who attend the school come mainly from eight feeder primary schools in Gloucestershire. We are also the school of choice for many parents in Cricklade and North Swindon.

Farmor's School was founded in 1738 with money left by Miss Elizabeth Farmor and Miss Mary Barker to educate fifty boys in Fairford. In 1815 girls were admitted into the school but they were kept separate from the boys. In 1922 the school became co-educational. The school moved to its present site in 1961 and became an 11-18 comprehensive school in 1966.

Farmor's School converted to an Academy in August 2011.

Farmor's School serves a predominantly rural area which includes some of the prettiest villages in the Cotswolds. We have close links with our primary schools in Bibury, Down Ampney, Fairford, Hatherop, Kempsford, Meysey Hampton, Southrop and St Lawrence, Lechlade. We also have a significant intake from St Sampson's, Ampney Crucis, Wiltshire and from the independent sector.

The school is situated in beautiful parkland, within walking distance of the centre of Fairford. The eighteen-acre grounds are well maintained by our site staff and include a modern and well-equipped Sports Centre. The school has a mix of modern and 1960's build accommodation. We have been working hard over the last few years to improve the teaching and learning environment through a combination of grounds and building works.

1. **We are a friendly and welcoming school.** New staff always comment on how helpful and supportive our colleagues, students and parents are.
2. **Our students are eminently teachable.** Our high expectations and positive learning culture means that there is a consistently calm and orderly environment around school.
3. **We value a broad education.** Students have an open option choice and a huge range of extra-curricular opportunities available to them.
4. **Our efforts to improve teaching and learning are based on the evidence of what works,** not on the latest fad or government whim.
5. **Almost a quarter of our students are in the Sixth Form.** Teachers are able to teach the full range of age groups and teach to very high levels of ability.
6. **Departments have protected time to work collaboratively.** We have six Team Days each year dedicated to working together, meaning no after school meetings.
7. **You will have access to an excellent professional development programme** and time to work on your individual development needs.
8. **We take work-life balance seriously** and maintain generous arrangements for personal leave.
9. **We are located in beautiful, rural surroundings** with easy access to Cirencester, Cheltenham, Swindon, Oxford and Bristol.
10. **We are a friendly, supportive and professional community** where you will be able to develop your career.

“Every teacher is enthusiastic and seems to really enjoy teaching their lesson. This urges us to progress in that subject, achieving the goals we set ourselves”

Student

“We very much doubt that our children would have excelled academically and developed as happy young adults, if they had not had the dedication, support and enthusiasm of Farmor's teaching staff”

The Curriculum and Academic Success

The school maintains a broad and balanced curriculum which enables students to achieve academic success.

The Sixth Form is attended by over 200 students, some of whom come from other 11-16 schools nearby. We offer a wide range of courses, alongside a rich programme of study and enrichment including the EPQ and Duke of Edinburgh Gold Award. The ethos in the Sixth Form is that students are treated as young adults and guided to make good choices, both academically and personally. This ethos, alongside excellent teaching and small class sizes, means that students from all backgrounds achieve success.

At GCSE, the school achieves consistently strong outcomes. In 2025, 75 % of students achieved 4+ grades in English and Maths, and 23% of all grades were at grades 7-9. We maintain a broad open-choice curriculum at both Key Stages 4 and 5, with our sixth form progress being one of the highest in the county.

Pastoral Care

The school has a strong pastoral ethos where individuals are nurtured. The staffing structure is traditional, with five Heads of Year and teams of tutors. We have an excellent Student Services support team, counselling service and a range of support services for students.

Extra-curricular Activities

We enjoy a strong reputation for sporting success, competing at regional and national level with different age ranges and sports. We provide an extensive programme of educational visits and take part in many competitive activities across schools, such as photography, languages and mathematics. Outdoor pursuits activities, including Duke of Edinburgh Gold and Bronze Awards, are increasingly popular.

Classes

There are 25 one-hour lessons a week and one half-hour PSHE session. On Thursdays we finish early at 3.00pm to allow meetings and professional development to take place within a reasonable working day.

KS3 students are mainly taught in mixed ability groups. Setting takes place in Maths (from Y7) and Science (from Y9). English is taught in mixed ability groups throughout the school, although a small group is identified in KS4 which studies English Language only.

The Senior Leadership Team

The senior leadership team are:

- Mark Surowiec (Headteacher)
- Emma White (Deputy Headteacher)
- Sarah Hughes (Business Manager)
- Sylvia Bettington (Assistant Head)
- Henry Bew (Assistant Head – Sixth Form)
- Roger Eckersley (Assistant Head – Pastoral)
- Noelle Sturla (Assistant Head – Inclusion)
- Claire Wells (Assistant Head – Teaching and Learning)

The Governing Board

We have an effective governing body who work closely with the senior team. Our Chair of Governors is Sam Bartholomew, an experienced primary school headteacher. The governing body committees have been structured to ensure that their work reflects the strategic priorities of the school, with a greater emphasis on the quality of teaching and student welfare.

Staff

We are fortunate to have hard working, experienced and friendly staff. Being a rural, community focussed school our staff are loyal and committed. Around a third of our staff have had children attend the school, many live locally and are themselves previous Farmor's students. Some teachers have committed a substantial part of their careers to the school, and we value their experience. We also maintain a healthy turnover of staff, particularly as teachers seek promotion, so that there is a regular influx of fresh thinking and ideas. Our strength lies in the balance of continuity and change in our staffing profile.

Our staff like working at the school. Our annual staff survey indicates that staff feel the school is well led and managed and that they are listened to and supported in their work. Staff absence levels are very low and we have a generous 'family friendly' policy regarding compassionate leave. Our staff work hard and sometimes feel the stresses of the job, as in all schools. However, we strive to avoid making people's jobs more difficult than they need to be through excessive initiatives, directives and unreasonable accountability measures. We respect teachers' expertise and professional autonomy whilst expecting them to deliver excellent outcomes for our students.

Students

Students at Farmor's School achieve well academically. Staff and visitors comment upon the students' good manners, friendliness and positive attitudes. We are a comprehensive school and attract students from a range of academic and social backgrounds; however, our strong ethos means that students understand that a calm, respectful approach is best. Where

students do step over the line, we have a clear system in place to ensure they get back on track.

There are many opportunities for students to take responsibility and participate in democratic processes, including Year 11 prefects, Heads of School, School Council, the Charities Committee and Student Ambassadors. Older students often mentor the younger children at the school. Our House System promotes participation in the wider life of the school and healthy competition.
