OUR LEADERSHIP

Dear Applicant,

Welcome to The Stockwood Park Academy – an outstanding learning community where we believe all students can achieve their very best and strive for excellence in everything they do.

One of our primary drivers as an Academy here is that we try to add value in all that we do – we are here to help improve the life chances of our learners, to ensure they realise our “Strive, Achieve, Believe!” motto.

The academy is part of Advantage Schools - a family of schools, sharing our practice and beliefs to produce young people who achieve more than they ever thought possible.

I joined as Head of School in January 2020, and take great pride in the strides that we – staff, students and parents – have made. The academy is served by a team of dedicated staff who work to ensure every child's needs are met. There is an equal focus on the development of the whole child, alongside ensuring that they fulfil their academic potential.

We are proud of the work we do to serve our community and achieved gold in the RACE Charter Mark (February 2023). TSPA is an environment that encourages excellent attendance, punctuality and attitudes to learning and behaviour.

Traditional values and manners matter to us! It is highly important to me that every student gains a taste of academic and personal success throughout their time at The Stockwood Park Academy no matter their starting point.

I believe that education opens the door to endless possibilities – this was a message given to me by mother, and something I have tried to instil in my son – and I want all the students at the academy to have same opportunity to aspire to the highest level of academic achievement possible.

Together we will make this happen.

Mumin Humayun
Principal

We aim to recruit staff who:

- Are excited by their role and by the prospect of working with young people, even those who are less motivated
- Love the processes of learning and teaching and are keen to continually develop their own skills
- Recognise that teaching can be a demanding job but react positively to those demands rather than complaining
- Will subscribe to the ethos of the trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people
- See break duty as an opportunity to talk to children
- Are quick to praise and slow to criticise and are not afraid to admit to seeing themselves as potential leaders of the future

INTEGRITY, AMBITION, EXCELLENCE

Welcome to Advantage Schools; a high-performing family of ten schools.

We unashamedly believe in high attainment. Our schools seek to transform the life-chances of the young people in our care. We do this through very high expectations – of behaviour and conduct, of hard work and of determination and perseverance – alongside the very best knowledge-based curriculum.

At Advantage Schools, we commit to ensuring that pupils will be able to learn in an environment that is free from disruption so that they can chase their dreams and fulfil the aspirations they share with parents and colleagues. A broad curriculum places pupils in a strong position to question and debate the world around them, making them intellectually resilient and prepares them for citizenship in a democratic society. We believe this is a right of all pupils and one which is empowering.

We also pride ourselves on the additional opportunities available to pupils outside of the classroom. Our extensive extra-curricular programmes include residentials, sports and music so that we develop well-rounded young people.

Our schools work together to provide teachers and support staff with the best possible training. In partnership with families, we work hard to ensure that pupils have the widest possible opportunities in their lives.

Our schools' doors are open in every sense:

- we are in the centre of our communities, inviting them in regularly and celebrating the richness of our local area and those we serve;
- we collaborate with other professionals and schools, sharing our work to benefit pupils across the country;
- we celebrate what we do while maintaining humility in accepting feedback so that we can continue to improve.

We run our schools in the best interests of the pupils, guided by our principle that *"it must be good enough for our own children or those that we care deeply about to be good enough for our pupils"*.

TEACHER TESTIMONIAL

MICHELLE LEA-WATTS, DIRECTOR OF ENGLISH

Since joining The Stockwood Park Academy in September, and even prior to my arrival, I have been absolutely staggered by how friendly this school is. While I could describe how colleagues have been exceptionally supportive, I think it's most important to note just how lovely our students are because it is so refreshing to join a school and feel welcomed by the young people. This has a lot to do with the trusting nature of our students, but also the warm approach to behaviour management advocated and encouraged by the leadership.

As an English teacher it has also been amazing to see a school which has not only said it will raise the profile of reading, but is acting upon its word. All students regularly receive books as gifts and the emphasis on reading for pleasure is very strong. The renovations to the academy library and investment in specific reading programmes have made it clear that reading is valued here and is a priority. I have found the leadership team to be highly involved at all levels with a great presence throughout the academy – from break duty to teaching; there's a strong sense that we are all working together which is not always the case in other schools.

With the rigorous use of data, constant assessment of student progress and quality assurance methods, together, we are achieving more than we ever thought possible. We instantly respond if students experience difficulties. Dialogue with teachers is encouraged as a framework for students to develop ideas, ask questions think about their learning.

TEACHING AND LEARNING AT TSPA

We are proud to make use of key strategies found in 'Teach Like a Champion' and 'Walkthrus' as they provide practical methods to implement Rosenshine's Principles of Instruction. We do not encourage unnecessarily elaborate approaches to lesson planning and delivery. We trust that our teachers are experts in their subject areas and allow them to design and deliver lessons to a high standard.

Our teachers regularly show what excellence looks like with the expectation that students are given the opportunity to produce work of a similar high standard.

FEEDBACK

Our feedback policy utilises Live Marking to support teachers in recognising common strengths and areas of the curriculum where students require extra support or reteaching. We assess our students regularly but are considerate of the impact this has on our teacher's workload. We recognise the value of feedback for our teachers too. Teachers work closely with our internal teaching coaches where feedback and professional dialogue is central to the ongoing development of each of our colleagues. Faculty areas also have regular opportunities to work collaboratively as part of our generous directed time policy.
