Thank you for your interest in working for Greenwood Academies Trust. I can assure you GAT is the place for you – somewhere where you can make a difference, to our children, colleagues and the communities we serve.

We embrace the diversity of our academies and will support you to meet the needs of the local children. We also believe you should be connected to your local community. Our aim is to empower leaders to make the right decisions to benefit the pupils they serve and know best.

I am passionate about ensuring our colleagues are involved in the Trust's future, feel valued and are given opportunities to succeed. We have a strong culture of learning and development throughout our workforce by providing professional skills and learning opportunities for everyone.

We have grown successfully from our opening school in Nottingham in 2009 to the large Trust we are today, and the outcomes for our pupils and colleagues are getting better and better. I encourage you to visit Weston Favell Academy and see the vision and mission in action – we'd love to meet you.
