At Discovery Trust, our mission is to ensure that all our pupils realise their potential.

Our mission starts inside every school and central department. It is reflected in our culture and is reflected by all the colleagues we work with. In the pursuit of our mission, we employ a diverse range of highly talented people to co-construct the very best places to learn, with innovative solutions to ensure that all children achieve. Discovery continually builds to creating an organisation that celebrates individuality, initiative, ownership of colleagues' responsibilities and intelligent collaboration.

Parkland Primary School South Wigston is an inclusive, nurturing school. The school's curriculum is ambitious for all pupils, including those with special educational needs and/or disabilities (SEND) and those who are disadvantaged. Pupils feel well supported. One pupil said, 'The teachers always help us, and if we are stuck, they help us by giving us examples of what we need to do.'

Our vision

Regardless of your role within Discovery, we are working for something bigger.

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

Our values

Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localised set of values to ensure their community is engaged and successful.

“Our pupils deserve the very best, every day, and that as a Trust is what we strive for.”

David Briggs, Director of Primary Education

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

Jane Pinborough, HLTA Kibworth CofE Primary School

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the Senior Leadership Team. My ideas are heard and challenged but ultimately met with positivity.”
