Welcome and introduction to the role

Thank you for your interest in the role of Head of Admissions at St Peter's School, York.

Life at St Peter's is busy and this is a place where dedicated colleagues work hard in a friendly, supportive environment. The sense of community and collegiality is often referred to as a key strength of St Peter's alongside opportunities for personal and professional development. This is a school where excellent delivery is expected and where skills, interests and values are equally important. We want our whole school community to inspire the children we educate.

St Peter's consistently achieves outstanding academic results in A Levels, GCSEs and value added but our education goes beyond just academic achievement. Our pupils are nurtured, challenged and encouraged to have a fulfilling time at school and to make a positive impact on their world. All of our staff play a part in their journey.

St Peter's is one of the UK's leading independent schools, educating young people for almost 1,400 years. Today, the School combines a rich heritage with a forward-looking commitment to educational excellence, pastoral care and the development of young people who are equipped to flourish in an increasingly complex world. From Nursery to Sixth Form, St Peter's offers an outstanding all-through educational experience, underpinned by high academic standards, exceptional co-curricular opportunities and a strong sense of community.

As the independent school sector continues to evolve, admissions has become one of the most strategically important functions within any successful school. Demographic changes, increasing competition, shifting parental expectations and a more data-rich operating environment mean that schools must take a sophisticated and evidence-based approach to pupil recruitment, retention and market development. The Head of Admissions therefore plays a critical role in shaping the future success and sustainability of St Peter's. The role is responsible for leading admissions strategy, ensuring the School attracts, converts and enrolls the optimum number of pupils while maintaining the high standards and values for which St Peter's is known.

St Peter's School York, Appointment of a Head of Admissions

At St Peter's, we believe that exceptional admissions is built on both outstanding relationships and rigorous analysis. Families make one of the most important decisions in their child's life when choosing a school, and every interaction must be characterised by warmth, professionalism and a genuine commitment to understanding their aspirations. At the same time, strategic decisions must be informed by robust data and market intelligence. The successful candidate will be expected to use detailed admissions data to understand trends, monitor conversion rates, identify opportunities for growth and continuously improve performance across the admissions journey.

This is therefore a role for a leader who combines commercial awareness with educational purpose, and who is equally comfortable building trusted relationships with prospective families as they are analysing recruitment pipelines and market trends. The successful candidate will join the School at an exciting time and will have the opportunity to shape a modern, data-driven admissions function that supports St Peter's strategic ambitions while ensuring every prospective family experiences the very best of the School.

We hope this briefing pack provides a helpful insight into the opportunity and the qualities we are seeking in our next Head of Admissions. We look forward to learning more about your experience, vision and ambition for this critically important role.

We hope that you are inspired to join us and look forward to receiving your application.

Best wishes,

Jeremy Walker
Head Master

About St Peter's School

St Peter's was founded by St Paulinus of York on the same site as York Minster in 627 AD. In the sixteenth century, the School was given a Royal Charter by Philip and Mary and, in 1575, the School's most infamous pupil, Guy Fawkes, attended St Peter's.

The School's connection with Guy Fawkes continues, with its campus in the Clifton area of York acquired in 1844 situated on land once owned by the Fawkes family. The School continued to evolve in the twentieth century, starting with the acquisition in 1901 of St Olave's Prep School. In 1976 the first girls were admitted to the School in the Sixth Form, and in 1987 St Peter's became co-educational at all levels. In 1994 the School purchased Clifton School and Nursery, enabling St Peter's to provide a seamless, continuous education from ages 2 to 18.

Our historic links with the Minster continue. In 2020 we became the choir school for York Minster, educating the boys and girls in the choir and supporting their busy schedule of rehearsals and services, alongside everyday school life. Members of the Chapter are represented on the Governing Body and the School is fortunate to use the Minster for annual events including the carol service, major concerts and prize-giving.

St Peter's sits at the heart of the community in York and Yorkshire with extensive links and connections. We are a key member of the York Independent State Schools Partnership, nationally regarded as a leader in the field, and host a variety of other events in partnership with the University of York and the York Literature Festival, alongside our own public lecture series. Plans for the future include increasing the number of pupils receiving assistance with fees and working more closely with the City of York Council and local schools.

Proudly located on a 50-acre riverside campus just 10 minutes' walk from the centre of York, St Peter's is an over-subscribed co-educational, day and boarding school which achieves outstanding examination results alongside an extensive co-curricular programme.

The School was named TES Independent School of the Year for 2021, as well as Pre-Prep School of the Year for a second time having previously won the award in 2018.

Today, the whole school works together to deliver a dynamic, all-round education that develops the abilities and enthusiasm of each of the 1,200 pupils on roll.

Aims and Ethos

Our aim is to prepare pupils to be successful and fulfilled in their adult lives, to be leaders with humility and to make a positive impact on their world. We define this as being able to make the most of their academic and personal potential, to have positive relationships in all aspects of their lives and to make an impact in their immediate communities and the wider world for the common good.

The Four Keys

St Peter's aims are achieved through the four Keys; qualifications, skills, interests and values.

Qualifications include excellent results in academic examinations and in wider areas such as music and drama examinations and the Duke of Edinburgh Award.

Skills developed through academic subjects are complemented by a broader range of skills required for a truly successful life. We are committed to offering our pupils a wide co-curricular programme to develop those skills not always attained in the classroom. These include those identified in the World Economic Forum's Future of Jobs Report (2020):

Emotional intelligence - Leadership - Social influence - Creativity - Originality - Initiative - Critical thinking - Persuasion and negotiation - Resilience - Flexibility - Complex problem-solving

Interests developed through the academic curriculum and the co-curricular are crucial in sustaining our pupils through their adult lives while fostering the acquisition of wider personal skills. As importantly, it makes them interesting people who add value to others.

Values are the hallmark and bedrock of a successful life, giving sustenance in times of prosperity and adversity. The values developed at St Peter's enable our pupils to make complex, moral decisions and give them the courage to carry them out. They are:

Friendship - Trust - Wisdom - Compassion - Endurance - Hope - Humility
