## Message from the Headteacher

Thank you for your interest in the post of Teacher of Design & Technology at Coombe Girls' School and Sixth Form.

At Coombe, we are passionate about giving students access to a wide range of experiences and the best possible education during their time with us. Our deep-rooted belief in a rounded and broad education goes alongside a commitment to academic excellence for all our students, regardless of background or context.

Our students make significant progress from their starting points whilst at our school. We have a long tradition of innovative, research led teaching, which enables our students to flourish and thrive. We put significant emphasis on developing our teaching and learning and are committed to maximising the benefits of a girls' school education. We welcome a significant number of boys into our sixth form and work closely with colleagues from the other schools in the Coombe Academy Trust to our mutual benefit. More about the Coombe Academy Trust can be found [here](#).

We are seeking to appoint an enthusiastic teacher to join our Design and Technology department to teach KS3 and KS4. The successful candidate will become part of a creative, forward-thinking and high-achieving team. We welcome applications from all specialisms and are open to both part-time and full-time candidates.

Thank you for taking the time to find out more about this role. Please do contact me at school. If you have any questions or would like a tour of the school. I look forward to receiving your application.

Best wishes,

**Emily Barns**

## Coombe Girls' School and Sixth Form

Coombe Girls' School and Sixth Form is a comprehensive girls' state secondary school, with a co-educational Sixth Form. The school is heavily oversubscribed and is committed to providing an excellent education to children in the local area. We are proud of the progress our students make from their starting points during their time with us: the school's GCSE Progress 8 score in 2024 was +0.7, and the progress of our 2025 cohort was in the top 25% of the country. The school is proud to be part of the [Coombe Academy Trust](#)

Our school is vibrant and diverse, serving the local area of New Malden. We value every individual and the rich wealth of experience, knowledge, values and beliefs they bring to our school. The experience and talent you will bring to our school will ensure we continue to provide the best education for our students and further increase the breadth of opportunity for the next generation. We particularly encourage applications from colleagues in underrepresented groups.

## Design and Technology Department

Food, Textiles, Product Design, Electronics. The teachers work closely together to plan and deliver an integrated approach to the subject. A technician offers additional support for three days a week at Coombe Girls' School, and two days a week at Coombe Boys' School.

The department is situated in a purpose built suite of rooms that comprises 2 workshops, 2 food rooms, 1 textiles rooms and an ICT suite with well-resourced and supported CAD CAM facilities.

The Department is proud to have an important and recognised status within the school and works hard to maintain this by participating in, and devising cross-curricular activities and events. Students are always enthusiastic about the subject and the extra-curricular opportunities it offers. As a result, they achieve a high level of creative understanding and output. Staff and student relationships are excellent and based on high expectations of behaviour and academic achievement.

At KS3 DT is delivered in three 60 minute lessons per fortnight. All schemes of work have been updated thoroughly to reflect curriculum changes and take into account Assessment without levels. Students benefit from a wide variety of projects designed to provide them with the skills and knowledge required to solve problems in a creative and innovative manner. The pupils are taught in mixed ability groups and those requiring additional help are supported by a very experienced and effective pastoral team.

At KS4 students opt to follow a full AQA GCSE course in Design & Technology. Students work in one of the following areas: Product Design, Food Preparation and Nutrition or Textiles.

In recent years the department has consistently achieved GCSE A\* - C pass rates above that of the national average. Regular trips to galleries and museums help to promote an interest in the history and modern context of the subject.

At KS5 students follow AQA A Level courses in Product Design, Textiles, or a Btec in AQA Food. Opportunities exist within the department for professional development and training. The department is forward thinking and innovative, and is keen to improve all aspects of its teaching in the coming years

## The role of a Teacher

At Coombe, teachers:

- Have a passion for and expertise in their subject areas
- Are passionate about their role in developing young people's skills across a broad range of areas
- Support other members of the team and remain flexible.
- Are reflective practitioners constantly striving to improve their practice
- Engage with teaching and learning drop ins and training for staff as part of the department's development
- Plan and deliver student learning that ensures student engagement and progression for **all** students, including those with Special Educational Needs and those identified as more able
- Within their classes, take responsibility for analysing progress and attainment data to make data driven changes to curriculum design, student intervention and set changes.
- Use formal and informal assessment to identify gaps in students' learning and skills and adapt teaching accordingly to enable students to make progress
- Provide opportunities for students to take part in additional subject specific activities/trips, which includes opportunities in providing extra-curricular activities.
- Are active members of their curriculum and pastoral teams, contributing to the ongoing development and improvement of the school
- Develop positive relationships with the students based on mutual respect
- Consistently implement the school's positive behaviour system
- Develop and maintain good relationships with parents and the wider community
- Take responsibility for their own professional development including attending relevant CPD events, observing peers and identifying personal developmental targets.
- Collaborate with colleagues within the Trust to share examples of best practice.
- Are ambitious and take advantage of the many opportunities for progression offered by the school.

## Why work with us?

Coombe Girls' School & Sixth Form is a fantastic and rewarding place to work. Our students are motivated and keen to learn while our creative, engaging staff is committed to providing exceptional teaching to our students. We take the wellbeing of our staff seriously and actively manage workload whilst retaining very high standards. Our staff are highly supportive of one another.

We are a Google school and staff are provided with a Chromebook to support their work. The school is within walking distance of New Malden train station with its fast, direct links to central London and into Surrey and Hampshire. For those travelling by car, parking is available in the school car park, and bike racks and showers are provided for colleagues who are able to cycle to work.

With regards to Personal Development, we pride ourselves on our commitment to CPD. Our staff is supported to access National Professional Qualifications and receives Thrive training. There are opportunities to work collaboratively across all five schools in the Trust (both primary and secondary) as well as with the central Trust team. The Trust looks to provide opportunities for growth for colleagues within the Trust.

**This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.**
