About IET

The Isle was created when local ancient settlers in North Lincolnshire combined their communities enabling individual inhabitants to live safely and thrive. Isle Education Trust is proud to have built itself on these foundations and is a community of schools who grew from the mutual recognition that by working together to build communities we can inspire each other to be excellent.

Isle Education Trust (IET) was formed when South Axholme Academy and Epworth Primary Academy became partners to support and develop excellence in the local education community. Soon after, the benefits of belonging to a wider community all working together with a common purpose attracted Coritani Academy to join the Trust.

Isle Education Trust is an education community, driven by the belief that individuals and communities flourish together when they

- are **respectful** of their communities and the individuals within them.
- work together to **inspire excellence** in one another in order to thrive.
- are **resilient** to challenges and dare to be excellent.

At Isle Education Trust each academy has its own mind-set which underpins all that they do. Our students are at the heart of everything we

do, and we aim to ensure every single one of them has the support and guidance they need in order to reach their full potential.

We believe that every individual matters – learners, staff, parents and governors. The Trust places equal emphasis on enjoying learning inside and outside of the classroom. We feel passionately that all students should have the opportunity to be involved in a broad range of activities, regardless of gender, background or religion. In this way students gain a breadth of experience to enable them to develop into highly sought after individuals in whatever route they take upon leaving the Trust.

IET is committed to supporting academies to achieve this goal by celebrating what is unique about each setting, whilst providing structures and mechanisms to reduce pressures on Principals and leaders by absorbing roles such as finance, HR, Estates Management, IT and other statutory obligations in to the IET Centralised Services team. As a result, Principals are able to devote their time and energy to managing teaching, learning and the quality of education within their academy so that it is the very best that it can be.

- We believe that we can **inspire excellence together** and are a place where **communities matter** and **individuals thrive**.

Welcome from the CEO

Dear Prospective Colleague,

Thank you for your interest in joining Isle Education Trust. Whether you are at the start of your teaching journey or bringing a wealth of experience, I'm delighted that you're considering becoming part of our community.

At Isle Education Trust, our vision is simple yet powerful: Inspiring Excellence Together. We believe in creating environments where individuals thrive and communities flourish. Across our academies—including South Axholme Academy, Coritani Academy, and Epworth Primary Academy—we are united by a shared commitment to high standards, inclusive practice, and a deep sense of belonging.

Our values are not just words on a page—they shape how we work, how we support one another, and how we grow. We ask every member of our team to:

Be respectful – acting with honesty, consistency, and care.

Be resilient – embracing challenges and daring to be excellent.

Be inspirational – leading by example and lifting others through our actions.

We know that great teachers change lives. That's why we invest in your development, champion your wellbeing, and celebrate your successes. Whether it's through high-quality CPD, collaborative networks across the Trust, or leadership pathways, we are committed to helping you thrive professionally and personally.

Our academies are vibrant, welcoming places to work—where innovation is encouraged, support is ever-present, and every voice matters. If you share our belief in the power of education to transform lives, I warmly invite you to explore the opportunities within our Trust.

We look forward to the possibility of welcoming you to our team.

Warm regards,

Welcome from the Executive Principal

Do you want to work at a school that really makes a difference to children's lives? To be part of a school with very small class sizes, where trust and human relationships are central to all that we do? To belong to a community where the curriculum is built for each individual child and children are made to feel safe and valued? To be challenged and feel a sense of fulfilment every day? To inspire a small group of learners and to be inspired?

If this sounds like the place for you then come and join us at Coritani Academy.

We are a small academy offering academic qualifications to learners who need a school community with a more individual approach to learning than you would traditionally find in a mainstream school. We deliver relationship-based education, a learning experience for students that is truly unique and tailored to the needs of the individual child. Our staff are open and caring and have a passion and desire to ensure that students achieve excellent outcomes at the end of their time with us.

The Academy offers a safe and welcoming environment for children from Year 3 to Year 13.

Low admission numbers mean that we can offer one to one and small group learning that is truly matched to individual need. Class sizes at the Academy are a maximum of 8 children.

Our belief is that students will thrive when they feel safe and supported within their surroundings and once we have this right the best start in life we can give them is a good set of academic results.

Our Academy boasts results well above the national averages for similar alternative Academies and in some cases for mainstream schools. We have an excellent track record of re-engaging students in education and ensuring they achieve excellent results that allow them to move on to their next steps in life.

Our learners are proud of their academy, and those who have left to go on to successful placements at college, school sixth forms or back in to mainstream school continue to visit and contact the academy into their adult lives.

Thank you for taking the time to put together your application we hope to see you as part of the team soon. Until then we would encourage you to view our website or come in and visit the Academy in person to find out more.

Executive Principal

About the Academy

Ethos and Values

Our Academy works with local schools and local authorities to ensure that learners who need an individual approach to learning have a quality educational alternative. We believe that every young person should have the opportunity to succeed by being motivated and inspired.

Our aim is to inspire learners with quality education and support through the development of the Coritani Mindset, to meet their personalised learning need, make them safe and ensure that they are ready to develop into respectful members of their communities.

Objectives of the Academy

To provide support to students to help them re-engage and be ready for education

To provide a safe and inspiring environment in which students can develop into respectful adults

To ensure all our students have access to the same opportunities as students in mainstream schools through an inspiring, broad and balanced curriculum

Coritani Mindset

Inspire Excellence, Safe, Respectful, Ready

At Coritani Academy everyone works collectively using the Coritani Mindset, a set of values that we have all agreed together to help us to be successful in our lives. Coritani Mindset Inspires Excellence and encourages students to be safe, respectful, ready in all that they do.

The School Day

The school opens for staff at 8:25am with a staff briefing each day at 8:30am. Learners arrive between 8:45am and 9:15am. And have a 30-minute lunch break. The day school ends at 2:30pm. Staff complete joint PPA and training from 2:30pm until 3:30pm each day. In addition, staff meet formally once a week and are involved in a full programme of CPD. Staff are given generous PPA time within the Academy Day and most complete planning and marking within these working hours.

Staff involvement

The small school structure of the Academy is such that every member of staff and often learners are invited to participate in policymaking though the final decisions must rest with the principal who is responsible to Governors for the conduct and curriculum of the Academy. Nevertheless, consultation is real and decisions are arrived at by discussion and an exchange of opinions. Such a consultative decision-making process can only work effectively if all staff accept the personal responsibilities this brings.

The demands on staff are considerable; in the classroom, in preparation, in marking, in attending meetings, in CPD work, in out-of-school activities and in parent-teacher contact, however, it is a rewarding job that presents staff with many opportunities which in turn brings great benefit to the Academy and to the teachers themselves as professionals.
