Our Facilities

Warwick Campus

Home to some 2,500 pupils aged 3–18, the 55-acre Campus boasts outstanding and cutting-edge facilities for our pupils. The campus has received significant investment over recent decades, including Warwick Hall, which was completed in 2016.

King's High School was also relocated from its historic town centre site in 2019 to join Warwick Preparatory School and Warwick School in a purpose-built home on one spacious, green campus. As part of this relocation, facilities were developed for all schools including:

- Enhanced sports facilities, including a 3G rugby pitch for Warwick School, five netball and six tennis courts.
- A series of pedestrianised Quads.
- A shared Sixth Form Centre for both Warwick and King's High School students to enjoy for shared curriculum enrichment and social activities.
- Improved play space for Warwick Preparatory School, including a nursery garden and 'forest school'.
- A shared Music School for the pupils of King's High and Warwick Preparatory School.

Leamington Campus

The Kingsley School is home to around 300 pupils. Situated in the centre of Leamington, the excellent facilities include the Prep School, Senior School, and a dedicated Sixth Form Centre. Twelve acres of playing fields are just a short drive away and include a pavilion and netball and tennis courts.

Investments over recent years have included a bright and welcoming new Learning Resource Centre, a modern and completely refurbished gym and a beautiful garden.
