Gresham's is a thriving, forward-thinking co-educational boarding and day school set in 300 acres of stunning Norfolk countryside. Founded in 1555, the school boasts a rich heritage and a reputation for nurturing creativity, academic ambition and character.

Founded in 1555, Gresham's combines a rich heritage with a bold vision for the future. Nestled in the Georgian market town of Holt and just four miles from the breathtaking North Norfolk coast, our Senior School educates pupils aged 13 to 18 from across the UK and internationally. We pride ourselves on nurturing creativity, academic ambition, and character.

We are proud of our exceptional alumni community, which reflects the breadth of opportunity available at Gresham's. Academy Award-winning actress Olivia Colman, England rugby internationals Ben and Tom Youngs, and inventor Sir James Dyson — one of the world's most prominent innovators — are among those who began their journeys here. Sir James is a long-standing supporter of the school, and his generous donations have funded the creation of the cutting-edge Dyson STEAM Building, as well as a brand new £45 million Prep School, currently under construction adjacent to the Senior School site.

With a strong sense of heritage and an ambitious vision for the future, Gresham's offers a unique and inspiring environment in which both pupils and staff can thrive.
