Introduction

SMSJ has its roots as far back as 1707, when a parochial school was established at the Sunningfields Road site. Almost 300 years later, St John's Infants and St Mary's Juniors successfully amalgamated, to become a primary school. Our Nursery school then opened in April 2007. Supported by the London Diocesan Board for Schools (LDBS), the school flourished and expanded to a three form entry in the primary phase.

As a result of the success of the primary school, the LDBS in partnership with Barnet Local Authority, expanded into the secondary phase in 2014. The success of this development along with the school's popularity and subsequent over subscription, resulted in further expansion to six forms of entry in September 2017.

September 2017 saw the opening of our Stamford Raffles Campus, housing students from years 9 to 13. This includes new facilities such as our fully equipped theatre and stunning Sixth Form Centre.

SMSJ values its long-standing service to the community. Our strong foundation has enabled us to grow into the thriving, multi-faith, high-attaining school we are today, providing excellence in teaching and learning for the children of Hendon and beyond. We welcome young people of all faiths and backgrounds into our close-knit school community.

Wren Academies Trust

Wren Academies Trust was established in September 2020 with the opening of Wren School Enfield, a new 11-18 secondary school. The development of a second School has led to further collaboration and innovation with subject departments regularly sharing resources and aligning assessments to reduce workload. The trust continued to expand with the inclusion of St Mary's and St John's, who joined the Trust in 2025. The size of the Trust provides many opportunities for continued Professional Development and career progression.

Vision and Ethos

Our Christian vision is drawn from Matthew's gospel which proclaims the Kingdom of God. Jesus teaches his disciples about choice, commitment and Christian hope for transformational change. His wisdom guides us to acknowledge that wealth is not material but that true wealth is gained from working collaboratively for the common good.

A fundamental component of our lives at SMSJ is a confident reassurance that all things are possible. We believe that healing, repair, repentance, forgiveness and reconciliation are always possible. We embrace innovation and transformation with the conviction that with Christ, every day, every task, every situation, every relationship brims with divine possibility. God is always at work in our lives.

We trust in the loving purposes of God: trusting that the foundations of the world are good because they spring from God. Our hope is rooted in the love and faithfulness of God. We strive to equip our students with an awareness of the true value of things together with an understanding of the consequences of our thoughts, words and actions. Christ's sacrificial life and his teaching about love and humility may appear foolish by the world's standards but, in reality, it expresses the Wisdom of God.

We use the Parable of the Good Samaritan as a lens which helps us to further explore the themes of compassion, sacrifice and love and to learn more about the Christian values of wisdom, service and hope.

SMSJ exists to enhance the future life chances and opportunities of our students, whatever their faith or starting point, by providing a centre of educational excellence at the heart of our community. Through hard work, resilience, perseverance and a commitment to our learning, we will create a hope-filled future. Our children will be equipped with the ambition, qualities, qualifications and values necessary to meet the challenges of an ever-changing world, knowing that '...with God, all things are possible'.

'The school is a nurturing environment in which adults and pupils of all ages treat each other with courtesy and respect. Pupils, including those regarded as vulnerable, thrive because they know that they are valued and heard'

SIAMS Inspection Report February 2025
