New Hall School

The Best Start in Life

Appointment of

Science Technician

Application closing date: midday, Wednesday 25 November 2026

Start date: January 2027

Welcome from Mrs Jeffrey, Principal

"Thank you for your interest in this opportunity at New Hall School. I joined the New Hall School community 24 years ago and, now that I am both the longest serving Head of a school in HMC and the longest serving Head in New Hall's history, I am often asked what has kept me here. It started with that first visit, in 2001, which blew me away. I remember meeting confident, characterful, good-humoured students, who made a lasting impression on me with their kindness and their evident pride in being part of the New Hall community. They spoke with passion about the work of the New Hall Voluntary Service (NHVS) as being central to School life. Their generosity of spirit and commitment to the care of those in need turned out to be a hallmark of a New Hall education. This is a place with a remarkable sense of community. At first, you will be attracted by the stunning heritage site, but, above all, it is the people who keep you here. I would not want to move anywhere else. As a parent, I could not have asked for a better education than New Hall gave my four children. The staff team here work with remarkable commitment and care to ensure that our children have the 'best start in life'. This is the school that many of us, staff and parents, wish that we had attended. I am looking forward to the next 20-year development plan!

New Hall, from its foundation, has been pioneering and innovative. The School is the UK's oldest Catholic school that has always taken girls; a strong commitment to promote equality, and to address disadvantages in society for girls and women, still prevails. Our outreach and community work led us to be the first independent school to sponsor a state primary school academy. We were the first Catholic diamond model school and the first diamond model school to be created from a former girls' senior school, with senior boys joining from 2006. The School has invested in exceptional outdoor learning, using its 180-acre campuses.

The School is large and diverse: in age, from 1-19; in size, with 1,400 students and over 300 staff; in culture, with students from over 25 countries; in religion, as a Catholic school, welcoming all who support our ethos; in structure, offering the full range of flexible boarding options and a mix of co-education and single-sex teaching; and in educational range, with a broad curriculum and an exceptional co-curricular programme. Every day is full of opportunities to learn and grow, for staff as well as for students. It is impossible to be bored here - no two days are the same!

This is an exciting opportunity to be part of one of the UK's most successful schools, with an ambitious plan for further development. Where many independent schools are retracting and reducing investment, New Hall is bucking the trend and continuing to grow and to strengthen our provision. We are investing in our Sixth Form Centre, expanding our curriculum, growing our Sport provision (most recently, with the addition of riding, football, basketball and padel) and enhancing our co-curriculum. We are open to opportunities to expand the work of our Trust, both in the UK and internationally, through our links with sister schools and Religious Communities. In particular, we are developing a link with the École Christ Ressuscité, Masaka, Rwanda, and with Heilig Graf Secundair, Turnhout, Belgium, which share the ethos of the Canonesses of the Holy Sepulchre. New Hall also works closely with the other Catholic independent schools in Brentwood Diocese.

Mrs Jeffrey and Mr Fardell receive their long service awards, having given 68 years of service between them, to Catholic education. The awards were presented by Bishop Alan Williams SM at Brentwood Cathedral. Pictured here with the resident Canonesses at New Hall.

I hope that you find the information contained in this pack, and on our website, helpful."

Mission & Ethos Statement

New Hall, a Catholic boarding and day school, provides
the best start in life, enabling students
to meet confidently the challenges of the wider world.

Here **academic excellence** is achieved
in surroundings where relationships are based on
care, trust and respect.

We **welcome** students from many traditions,
building a Christian **community**

Our Most Valuable Resource – Our Staff Team

New Hall benefits from a stable and committed staff body, with retention and length of service significantly exceeding sector averages for UK independent boarding schools. Across the independent sector, annual staff turnover is typically in the region of 16-18%, and average tenure is around three to four years. By contrast, New Hall reported an annual turnover of 3% in the last 12 months, and an average staff tenure of five years.

At New Hall, 25% of employees have more than 10 years' service, reflecting the strength of our collegiate culture, clear sense of mission, and commitment to professional development. Currently, two members of staff (one teacher, one support staff) have served for over 40 years, and nine staff have served for over 20 years.

Staff are supported and encouraged in their career development, including through generous funding for courses, and flexible working/sabbaticals for study and training. Over the last two academic years, 30% of staff progressed, internally or externally, into new roles, promotional opportunities, or additional responsibilities. Since 2020, New Hall has trained 26 staff as teachers, through the school-based PGCE and ECT courses. The School welcomes apprentices and graduate entry applicants for a range of roles, to have a diverse workforce, combining experienced staff and new talent.

The Science Department

The Science Department at New Hall School is a dynamic and high-achieving faculty comprising the Biology, Chemistry and Physics Departments. Across all three disciplines, we are committed to inspiring curiosity, fostering a love of scientific enquiry, and developing students' practical, analytical and problem-solving skills through innovative teaching and hands-on learning.

Science is taught by subject specialists from Year 5 onwards, with students studying Biology, Chemistry and Physics as separate subjects throughout the Senior Divisions. Our broad and ambitious curriculum is supported by exceptional facilities, including ten well-equipped laboratories, dedicated specialist teaching spaces, experienced technicians, and extensive use of digital technology through the School's one-to-one iPad programme.

Students consistently achieve excellent GCSE and A Level results, outperforming national expectations and progressing to leading universities, including Oxford, Cambridge, UCL, Imperial College London and other Russell Group institutions. Many go on to study Medicine, Engineering, Natural Sciences, Physics, Chemistry, Biology and related STEM disciplines.

Co-Curricular Activities

Beyond the classroom, the Department offers an extensive co-curricular programme, including Olympiad competitions, STEM clubs and societies, Biology Week and Chemistry Week, trips to Science Live lectures, CERN, Cambridge University and the Rutherford Appleton Laboratory, as well as opportunities to undertake CREST Awards, EPQs and research-based projects. Through these experiences, students develop a deeper appreciation of science and are encouraged to pursue STEM careers and further study.

Salary & Benefits

Salary

New Hall has its own salary scale. The salary for this role is £22,586pa (S3, fte £28,233pa).

Pension

Support staff are automatically enrolled in the designated stakeholder pension scheme provided by Standard Life, subject to meeting the qualifying conditions. Pension contribution rates are 5% for employees and New Hall currently matches employee contributions up to 4%.

Hours of Work

The working hours for the Science Technician is 8.00am – 4.30pm, Monday to Friday, for 36 weeks each year (including School term time), with a 30 minute unpaid break each day.

Support staff generally work an average of 40 hours per week over the course of a calendar year. A degree of flexibility is required, taking into account the nature of this role in an independent boarding school. Due to the nature of this role in an educational setting, with its emphasis on community and safeguarding, this role is performed at the School site.

The Science Technician will be required to work on School Open Days, which usually take place on the last Saturday in September and the Saturday of the first Bank Holiday weekend in May. All staff are required to attend INSET (staff training) days.

Holiday Entitlement

The Science Technician is entitled to 28 days' holiday per year, inclusive of bank holidays, which is deemed to be taken during the School holidays, in accordance with the published dates in the School calendar.

‘Only at New Hall’

The School boasts traditions unique to New Hall, as well as distinctive facilities rarely found in an educational setting. Below are some of our state-of-the-art facilities, as well as annual School events which celebrate our ethos and community spirit.

Staff Benefits & Wellbeing

Wellbeing

Health & Wellbeing

At New Hall, staff wellbeing is important to us. Staff have access to a free annual medical check at our Health & Wellbeing Centre, can book convenient on-site appointments with our School Nurses, have access to flu vaccinations at a subsidised cost, and have access to 24/7 counselling support.

School bikes are also available for staff to get around site in a fun and eco-friendly way.

Tea & Coffee Provision

Staff enjoy complimentary tea and coffee throughout the day in dedicated staff rooms.

Subsidised Padel Membership

Benefits of this membership include discounted rates on court bookings and advanced court booking.

Sport Facilities

Staff and their immediate family are able to make use of New Hall's outstanding sport facilities. This includes use of our 25-metre, 6-lane indoor swimming pool, 10 floodlit tennis & netball courts, 2 outdoor basketball courts, the Fitness Suite, which comprises a range of cardiovascular equipment and free weights, and the School's Athletics track.

Freshly Prepared Meals

At New Hall, staff can enjoy a delicious, freshly prepared 3-course meal every day during term time, free of charge. It is a great way to take a break, refuel, and catch up with colleagues, all while enjoying the same high-quality meals that make our dining experience so special. As with all staff benefits, this provision is subject to review.

Family, Community & Faith

Nursery

New Hall runs an on-site Nursery for 90 children aged 1 to 4. Staff children have priority for places, which may be part time or full time. Staff have the option of a term-time only place, which reduces the annual cost.

Activities & Clubs

Staff can enjoy clubs designed just for them, from the staff choir to ballet and language lessons, offering a great chance to learn something new, stay active, and connect with colleagues. And if you have a passion that you want to share, there is always the opportunity to set up your own club, making our community as diverse and dynamic as the people within it.

Family, Community & Faith (continued)

Vocations & Faith Development

Staff have access to our beautiful Chapel and prayer spaces, and vibrant Chaplaincy. Staff may volunteer with the New Hall Voluntary Service (NHVS) or support our sister community in Rwanda, with opportunities for voluntary work overseas. Funding is provided for courses (eg the CCRS, A Level RS, organ lessons, an MA in Theology/ministry/Catholic leadership).

Staff may join groups for faith development, training in ministries and liturgical music. There are daily opportunities for collective worship: Adoration, morning and evening prayer and Mass. The Careers & Vocations Department and Chaplaincy support staff in discernment of their vocation.

Staff Socials

Every Friday after work during term time, staff are welcome to unwind in the Denford Bar, a great spot to relax and socialise with colleagues at the end of the week.

Community

Many staff recommend roles at New Hall to friends and family, and several couples have met and married at New Hall!

Recently, three generations of one family worked at New Hall, as support staff. The School employs a high number of Old Fishes (alumni), with typically 8 to 12 on the staff each year. Several former staff have become Governors of the School, Directors of New Hall's Multi Academy Trust or volunteers with the New Hall Voluntary Service (NHVS).

Events

From equestrian displays, inspiring art exhibitions and music concerts, to thrilling sporting fixtures, dance performances, and theatrical productions, there is always something for staff to enjoy. Our exceptional facilities provide the perfect setting for these occasions, fostering a strong sense of community spirit and pride.

Staff are warmly encouraged to attend and take part in the many events throughout the year, whether supporting students, collaborating in creative projects, or simply enjoying the lively atmosphere that makes New Hall School such a special place to work.

Career & Development

Leadership Pathways

New Hall's investment in staff is shown by the significant number of internal promotions: 79 current staff (27%) have had at least one internal promotion, with 39 of these staff being promoted more than once and 16 staff being promoted more than twice.

The School has a record number of staff who have gone on to Headship/Deputy Headship (15 in recent years).

Long Service Awards

New Hall has annual long service awards, in 5-yearly intervals from 10 years, for the many staff who reach milestones of 10+ to 40+ years. Currently, 25% of staff have given service here for 10 years or more.

Library

Staff can make use of the School's well-stocked libraries to support professional development and personal interests.

Career & Development (continued)

Technology

New Hall is committed to promoting the digital literacy of our students. Staff are provided with suitable IT equipment to support their role.

Everyday Benefits

Enhanced Holidays

Enjoy additional days of holiday, the ability to take holiday in term time, and the Christmas to New Year School closure, which ensures an extended break for all at this time for family and friends.

Cycle to Work Scheme

Save on the cost of a bicycle and cycling equipment through our Cycle to Work Scheme, supporting healthier and more sustainable commuting.

Green Car Benefit

Reduce the cost of purchasing an electric vehicle through the Green Car salary sacrifice scheme.

Transport

An electric vehicle fleet is available to staff for business use and staff have complimentary access to the School's bus network.

Parking

Complimentary on-site parking is available for all staff.

Home and Tech Scheme

Staff can spread the cost of home and technology products, interest-free through this salary sacrifice scheme, making everyday purchases more affordable.

Campus & Location

Campus

Staff can explore the School's extensive outdoor learning areas across our 180-acre heritage grounds.

Connectivity

Beaulieu Park railway station is at the entrance to New Hall's Avenue: 30 minutes to Stratford and 38 minutes to London Liverpool Street. The Elizabeth Line at Shenfield (13 minutes by train) terminates at Heathrow airport. There are nearby airports: London Stansted, London Southend and London City.

Location

Enjoy the best of both worlds: countryside and city. New Hall has a London commuter station (Beaulieu Park) at its front gate, and benefits from the vibrant and growing facilities of the Cathedral city of Chelmsford. Facilities abound in the city centre and nearby: sports centre and ice rink; farmers markets; shopping centres and retail parks; museum; bars and restaurants; park with weekly Park Run; activity/recreational facilities for parties and socials; centres for equestrian, canoeing and paddleboarding. Within a 25-minute drive is a dry ski centre. A short drive takes you to the extensive Essex coast and Mersea Island.

About New Hall School

New Hall School is a thriving co-educational boarding and day school for 1,400 students aged 1-19. Founded in 1642, it is one of the oldest Catholic schools and the largest Catholic boarding & day school in the UK. The School's ethos continues to be inspired by its founding Religious Community, the Canonesses of the Holy Sepulchre.

> *"True community is where people listen to each other; where the marginalised and excluded are included".*
> (Canonesses of the Holy Sepulchre, 2023)

The charism of our founding Religious Community is service and hospitality; this is lived out in the actions of the volunteers that take part in this thriving and popular programme. Founded in 1978, the New Hall Voluntary Service (NHVS) has been providing help and support to vulnerable members of our local community for over 45 years. Volunteering for NHVS promotes an enduring community spirit, nurtures responsible citizenship and encourages student-led charitable endeavour throughout the local area.

New Hall is a warm, welcoming, and supportive community, with a staff of around 300. Staff enjoy an exceptional working environment. The main campus occupies the stunning Grade I listed former Tudor palace of Beaulieu, and is surrounded by 75 acres of beautiful parkland and heritage gardens. The School's conference and events venue is at the Grade I listed Boreham House, with 35 acres of grounds, one mile away. The School also owns New Hall Park Farm, a 70-acre site with an equestrian centre, 3-miles from New Hall.

Beaulieu Park railway station is at the entrance to New Hall's Avenue: 30 minutes to Stratford and 38 minutes to London Liverpool Street. The Elizabeth Line at Shenfield (13 minutes by train) terminates at Heathrow airport. There are nearby airports: London Stansted, London Southend and London City.

Chelmsford is a dynamic and welcoming city, with a population of around 190,000. Recognised as the *Sunday Times'* 'Best Place to Live in the East' in 2025 and 2018, and listed among the top ten best places in the East of England in 2019, it offers an exceptional quality of life. The city's rich history, vibrant cultural scene, and strong sense of community make it an attractive place to live and work.

An extraordinary school with a distinctive character and close-knit community, New Hall is popular with local, national and international families. The School is oversubscribed at key entry points. An early adopter of the diamond model, it offers a vibrant education for girls and boys, with single-sex teaching in the Senior Divisions for Years 7 to 11, and co-education in the early years, Preparatory Divisions and Sixth Form.

New Hall prides itself on the quality of teaching and learning. Seeking the highest possible levels of academic attainment is a priority. The School is equally proud to offer a rounded education, focused on developing the whole child. There is a strong emphasis on co-curricular enrichment – as recognised in its recent ISI Inspection reports. The School excels in sport, having recently been awarded Outstanding Sport in a Large School by the Independent Schools Association (ISA). Alongside traditional sports, it is home to the largest independent school ski team, benefits from a professional cricket coach, and is proud to include elite national golfers within its student body. With a well-established on-site farm, woodland school, and equestrian centre, the School makes the most of its unrivalled space to embed the many benefits of outdoor education into the curriculum for all age groups.

The School has made extensive capital investments across its estate over the past 20 years. Recent developments include: a purpose-built Nursery, a Sixth Form International Business & Languages Centre, a canopied outdoor performance space, a Chaplaincy suite, outdoor basketball courts, and a second Cookery room.

In 2012, the School established the New Hall Multi Academy Trust (NHMAT) and became sponsor of nearby Messing Primary School – an Ofsted-rated 'Good' school. It is now looking ahead to new ventures and exciting opportunities to further grow its partnership work.
