Are you a creative, committed and inclusive Science Teacher with a passion for delivering high-quality teaching across Biology, Chemistry and Physics? We are seeking to appoint a highly effective practitioner to deliver high-quality classroom teaching in science, supporting pupil progress, high standards of achievement, behaviour and discipline and securing the best possible outcomes for pupils.

Selly Park Girls' School is a thriving, well-maintained school with a proven track record of academic excellence. We are proud to have been recognised with numerous awards, including Secondary School of the Year in 2018 and 2022. We have also achieved Pearsons Secondary School of the Year silver award in 2025 and Staff Wellbeing School of the Year in 2024/25, as well as a range of accolades for our commitment to equality, diversity, health and well-being, SEND progress, and safeguarding.

The school is looking to appoint a skilled and dedicated Science Teacher to plan and deliver an engaging curriculum across Chemistry, Biology and Physics, working closely with the Head of the Science Department and colleagues across the school. The successful applicant will monitor and evaluate pupil progress, contribute to curriculum development, support pupils with additional needs within their classes, and play a full part in the wider life and systems of the school.

The successful candidate should be a teacher of imagination and commitment, able to teach Science across Biology, Chemistry and Physics to GCSE level and keen to work with pupils of all abilities in a well-resourced department. We are seeking to appoint an enthusiastic individual who is committed to securing strong pupil progress and contributing positively to the wider life of the school.

For an application form, job description and person specification please go to the SPGS website, or email recruitment@sellyparkgirls.org for the application form.

Closing date for applications: Sunday 22nd February 2026, emailed to: recruitment@sellyparkgirls.org
