WALGRAVE PRIMARY SCHOOL

Walgrave Primary School is part of the WPPS federation and is looking for a passionate part-time teacher to join our setting in September 2026. This is for a 1-year contract, working Monday to Wednesday.

Working alongside Pitsford Primary (our federation partnership school) we have a strong ethos of developing the whole child and we are absolute believers that school should be an enjoyable place to learn and work.

We would love to hear from an enthusiastic teacher at the beginning of their career. The successful candidate for this position will join a positive and welcoming environment, and will work as part of a highly collaborative teaching team.

We have inside and outside learning spaces designed to inspire our children to develop into confident and independent learners.

All classes visit our local forest school, with children also participating in termly well-being mornings, STEM week, on-site swimming and sporting events. The teachers within the team work collaboratively to plan lessons, co-ordinate resources and enhance the environment for learning through play.

Are you ready to come and work in a great school alongside enthusiastic staff and fabulous children?
