

Business & Economics

BACKGROUND/CURRICULUM

Business & Economics has been running highly popular GCSE (9-1 Edexcel), A Level (AQA), Economics (Edexcel) and BTEC Level 3 courses for a number of years. All are a popular option within Tring School and see courses running successfully, with many students opting to continue with Business or Economics at University or in higher level apprenticeships.

The department is well established and popular option, currently the following groups run;

KS4

Year 10 & Year 11 GCSE (3 classes in each year)

Year 10 & Year 11 Retail Business BTEC (1 class in each year)

KS5

Year 12 A Level Business and BTEC (1 class for each)

Year 13 A Level Business and BTEC (1 class for each)

Year 12 A Level Economics (1 class)

Year 13 A Level Economics (1 class)

Results are consistently very good and the students benefit from the use of Chromebooks in lessons.

RESOURCES

The department has two specialist rooms and lessons are timetabled in this room whenever possible. The department has a wide range of resources – textbooks, software, reference books, magazines and videos, to which students have full access. The School Learning Resource Centre has additional resources and computer access. Each teaching room has its own projector.

EXTRA CURRICULAR ACTIVITIES

Every year students are offered the opportunity to attend Conferences and extend their learning outside of the classroom, this is an area that we continue to develop in line with new specifications and learning content.
