# About IET

The Isle was created when local ancient settlers in North Lincolnshire combined their communities enabling individual inhabitants to live safely and thrive. Isle Education Trust is proud to have built itself on these foundations and is a community of schools who grew from the mutual recognition that by working together to build communities we can inspire each other to be excellent.

Isle Education Trust (IET) was formed when South Axholme Academy and Epworth Primary Academy became partners to support and develop excellence in the local education community. Soon after, the benefits of belonging to a wider community all working together with a common purpose attracted Coritani Academy to join the Trust.

Isle Education Trust is an education community, driven by the belief that individuals and communities flourish together when they

- are **respectful** of their communities and the individuals within them.
- work together to **inspire excellence** in one another in order to thrive.
- are **resilient** to challenges and dare to be excellent.

At Isle Education Trust each academy has its own mind-set which underpins all that they do. Our students are at the heart of everything we

do, and we aim to ensure every single one of them has the support and guidance they need in order to reach their full potential.

We believe that every individual matters – learners, staff, parents and governors. The Trust places equal emphasis on enjoying learning inside and outside of the classroom. We feel passionately that all students should have the opportunity to be involved in a broad range of activities, regardless of gender, background or religion. In this way students gain a breadth of experience to enable them to develop into highly sought after individuals in whatever route they take upon leaving the Trust.

IET is committed to supporting academies to achieve this goal by celebrating what is unique about each setting, whilst providing structures and mechanisms to reduce pressures on Principals and leaders by absorbing roles such as finance, HR, Estates Management, IT and other statutory obligations in to the IET Centralised Services team. As a result, Principals are able to devote their time and energy to managing teaching, learning and the quality of education within their academy so that it is the very best that it can be.

- We believe that we can **inspire excellence together** and are a place where **communities matter** and **individuals thrive**.

# About the Academy

Dear Prospective Colleague,

As Principal of South Axholme Academy, I am proud to lead a school with a rich history and an exciting future. Established as South Axholme School in 1961, we now serve approximately 930 students. In 2012, the school became an Academy, and the following year took a lead role in forming Isle Education Trust. The small size of the Trust enables close collaboration whilst allowing us to maintain autonomy over our curriculum and teaching to best meet the needs of our students and community.

Located in the historic market town of Epworth, North Lincolnshire, between Doncaster and Scunthorpe and within easy commuting distance of Rotherham, Sheffield, Leeds, East Yorkshire and Lincoln, South Axholme Academy draws students from over 25 primary schools across North Lincolnshire, Nottinghamshire, and Doncaster. We are regularly oversubscribed, which reflects the confidence families place in us.

Our academic outcomes consistently exceed the national average, reflecting our strong commitment to excellence. Equally important is nurturing the whole child by developing not only academic potential but also confidence, character, and wellbeing. Beyond the classroom, our vibrant calendar offers a wide range of events and enrichment opportunities, from sponsored walks and drama productions to sports clubs, educational visits, and community celebrations like Christmas carol concerts and senior citizens parties. Central to our ethos is the South Axholme Mindset—being Ready, Respectful, and Resilient—which guides everything we do and inspires everyone to Expect Excellence.

Knowing our students, staff, and families well allows us to provide a broad, balanced, and inclusive curriculum tailored to individual needs. As part of our commitment to support, we are developing a new study hub with North Lincolnshire Council, providing a smaller, focused environment for students who benefit from additional support.

South Axholme Academy is a vibrant, ambitious and welcoming school with a strong track record of excellence in all areas. As Principal, it is an honour to lead this community as we continue the next phase of our journey, one that I am confident will be filled with even greater success.

If you would like any further information about the role, or would like to arrange a visit, do get in contact by emailing [admin@southaxholme-iet.co.uk](mailto:admin@southaxholme-iet.co.uk) or by ringing us on 01427 87212. I would be delighted to talk to you about our wonderful school!

Every best wish,

**Stephanie Hamilton**
