Welcome from the Executive Headteacher & CEO

Anna Robinson

As the Executive Headteacher (EHT) and Chief Executive Officer (CEO) of **MARK Education Trust**, I am proud to lead three schools in East Sussex: **Beacon Academy** in Crowborough, **Uplands Academy** in Wadhurst, and **Hailsham Academy**, an all-through 2–19 school located in Hailsham and Hellingly.

Together, we are driven by a clear mission:

To provide the best possible education for our students, preparing them for life so they can stand equally alongside their peers locally, nationally, and globally.

Our Journey

I was appointed Headteacher of Beacon Academy in 2015 and became Executive Headteacher of MARK Education Trust in September 2022. Since then, the Trust has grown carefully and responsibly to include Uplands Academy in 2022 and Hailsham Academy in 2025.

During my tenure at **Beacon Academy**, we embarked on a transformational journey. In 2019, we celebrated record-breaking A-Level and GCSE results, with our Progress 8 measure making Beacon the **top-performing school in East Sussex for three consecutive years**. We also ranked **first across Sussex and within the top 1.8% of schools nationally**. Beacon's results continue to reflect academic excellence. Our sixth form students consistently achieve highly, with the vast majority of students securing their first-choice destinations - whether that be university, apprenticeship, or employment.

In 2024, following a rigorous Ofsted inspection, Beacon Academy was judged to be **Outstanding** in all categories.

We were delighted to welcome **Uplands Academy** (formerly Uplands Community College) into MARK Education Trust in September 2022. Located in the heart of Wadhurst, Uplands is a good school with vast potential, underpinned by strong relationships between staff and students, high expectations, and a relentless commitment to ensuring that the focus is on each child as an individual.

Our collective drive and ambition for continuous improvement was recognised and validated in January 2025, when Ofsted confirmed that Uplands is a **Good** school in all categories. We are proud of the dedicated team of staff at Uplands, who are ambitious for their students and committed to helping them flourish.

Continued overleaf...

As part of **MARK Education Trust**, Uplands benefits from being part of a collaborative network with Beacon Academy and Hailsham Academy. This partnership allows us to share best practice, pool expertise, and strengthen our collective capacity, while each school retains its unique identity within its own community.

About MARK Education Trust

Across our Trust, we make a strong, unified team focused on delivering whole school improvement. Centralised business services support our schools to develop and sustain excellence in every classroom. Our schools remain oversubscribed across year groups - a testament to the dedication and impact of our staff.

Guided by our values, we are growing responsibly and with care. Our growth strategy is implemented thoughtfully to ensure that each of our schools retains its unique identity while remaining connected by our shared vision and continuously striving for excellence through collaboration.

In September 2025, we welcomed Hailsham Community College - now **Hailsham Academy** - into the trust. I spent 16 years at Hailsham, beginning as a PE and English teacher and progressing to Head of School, before moving to Beacon, so Hailsham joining our trust also marks a personally significant milestone in my career. As an all-through 2-19 school, Hailsham Academy strengthens our commitment to inclusive, high-quality education.

Join Us

If you share our vision, values, and determination to provide the very best education for every child, I warmly invite you to consider joining Uplands Academy. You will be part of a caring and ambitious school community, supported by the wider trust, and united in our commitment to excellence.

Uncompromisingly high expectations for all our students and aim to provide a broad range of options to meet the needs of every individual.

Judged by Ofsted to be Good, “the leadership team continue to strive to provide the best possible education for each pupil”, “...strong leadership, good teaching and rising attainment, as well as pupils’ good behaviour and attitudes to learning.”

Staff Testimonials

Unlike any other school that I have taught at, and something that is so attractive about this school is the small, rural catchment where you are able to actually know the pupils that are in your lessons rather than just delivering from the front and steering a broad lesson, every lesson you can have those discussions and can have incremental impact on their learning.

Teacher of English, Uplands Academy

This is a school that has committed, caring staff that want to provide a safe, respectful, stimulating environment to allow students to reach their full potential and have confidence and belief in their own abilities.

Member of Staff, Uplands Academy

I get great job satisfaction from my role within the school and the end impact that it has on the students. The staff are a fantastic team to work with and very supportive of each other.
