ACHIEVING MORE TOGETHER

Welcome

Thank you for your interest in the position of Head of School at Ormiston Beachcroft Academy. We are seeking an exceptional leader who shares our ambition for every child to succeed and is committed to excellence in curriculum, teaching and learning, and pastoral care. This is a significant opportunity to lead a well-established alternative provision and to have a direct impact on outcomes and life chances for young people and their families.

Ormiston Beachcroft Academy, located in Westminster, is a highly regarded alternative provision commissioned to deliver high-quality education for pupils who require targeted support to re-engage, succeed and progress. The academy operates across four complementary provisions, each offering tailored pathways:

- Alternative provision (AP): Supporting secondary-aged pupils at risk of exclusion or permanently excluded, with a clear focus on re-engagement, reintegration, and successful transition to post-16 education, employment or training.
- Primary provision: Supporting up to 12 Key Stage 1 and Key Stage 2 pupils, including those with Education, Health and Care Plans (EHCPs), through a structured and supportive environment
- Westminster Education Centre (WEC): A short-term intervention provision (up to five weeks), based offsite, supporting pupils who are struggling to cope in mainstream education.
- A satellite primary alternative provision based in RBKC for up to 20 pupils, who are in receipt of an EHCP, have been permanently excluded from school or require a 12-week intervention placement.

The academy is well established and moving forward with pace. Leadership and governance are strong, expectations are clear, and inclusion is central to how the academy operates. There is a sharp focus on improving outcomes, with a clear direction for the next phase of development.

The curriculum is deliberately structured, with a strong academic core and the flexibility needed to meet pupils' needs. Reading is prioritised across the academy, underpinned by consistent practice, targeted intervention and high expectations.

Pupils are well prepared for reintegration into mainstream education and achieve strong outcomes where they complete Key Stage 2 or Key Stage 4 at the academy.

As part of Ormiston Academies Trust, the academy benefits from high-quality support and challenge, rooted in a shared commitment to improving behaviour and culture, strengthening teaching, raising attainment and embedding a strong reading culture. Collaboration across the Trust provides access to regional and national expertise and a strong network of school improvement.

We are now looking for a Head of School who will build on these strengths, providing clear and confident leadership while bringing their own experience and perspective to drive the next phase of development. The successful candidate will play a key role in shaping provision, strengthening practice and ensuring consistently strong outcomes for pupils.

If you believe you have the leadership, drive and commitment required, we would be delighted to receive your application and learn more about how you could contribute to our continued success.

For further information or to arrange a visit, please contact Grant Monaghan, Executive Principal, at gmonaghan@olamail.co.uk.

Thank you again for your interest. We look forward to receiving your application.
