Dear Potential Candidate,

Thank you for your interest in the position of Class Teacher at Central Primary School.

Since joining Central in 2021, I have been continually impressed by the caring, collaborative and inclusive culture that defines our school community. At Central, we believe every child should be known, valued, understood, supported and challenged to achieve their very best. Children are at the heart of everything we do and we are proud to be a school where positive relationships, inclusion and high aspirations underpin all aspects of school life.

Our recent Ofsted inspection recognised the respectful relationships between staff and pupils, our strong pastoral support and the way leaders “go beyond what is expected to meet pupils’ needs.” We are incredibly proud that our curriculum reflects and celebrates the diversity of our community and helps pupils develop a strong sense of belonging.

The school’s values of kindness, persistence, curiosity, forgiveness and hope are central to our curriculum and daily practice. We aim to create an environment where both children and staff can thrive.

Your professional development is just as important to us as your wellbeing. We value colleagues who are reflective, ambitious and committed to continual growth. We believe that everyone can continue to develop their practice, and we work collaboratively to support one another in becoming even stronger practitioners. Alongside celebrating individual strengths, we encourage professional dialogue, shared learning and ongoing development across the school. Teachers also receive additional Planning, Preparation and Assessment (PPA) time to support workload and wellbeing.

I would strongly encourage you to visit the school or arrange a conversation with myself or one of the Assistant Headteachers to find out more about the role and what makes Central such a special place to work.

Best wishes,

Sabrina Wright
