In Key Stage 1, we place a strong emphasis on play and continuous provision, ensuring a seamless transition from the Early Years and supporting pupils to grow as confident, independent learners. In Key Stage 2, we continue to build on these foundations, developing pupils' knowledge and skills while fostering independence within a supportive learning environment.

We are committed to the professional development of our staff. A strong culture of coaching and collaboration underpins our approach, offering meaningful opportunities for colleagues to refine their practice and contribute to wider school improvement.

Our dedicated teaching team is supported by experienced and committed teaching assistants, and we benefit from strong partnerships with our local community and other schools within our Multi-Academy Trust.
