Welcome from our CEO, Mark Woods

Thank you for your interest in joining the Meridian Trust family.

The success and growth of our Trust has been based on remaining focused on some critical principles:

- Every child is known, equally valued and supported to achieve their potential in all our academies. Every community we serve benefits from the facilities and services we provide.
- Our staff benefit from strong networks, excellent career opportunities and a human approach where they are equally valued and supported.

- We ensure that well-run schools retain and develop their distinct contextual identity, while sharing and contributing to our common values, practices, curriculum approaches and operational systems

Since 2011, thanks to the fantastic work of our staff, our Trust has grown from 1 to 35 academies whilst retaining our focus on working within an area that enables easy movement between our schools. From first developing an application in 2007 to open schools in the new town of Northstowe, we have been committed to the vision of being an all-through and all-inclusive Trust. Our Trust currently consists of 36 schools, 19 primary schools, 13 secondary schools, 3 special schools and 1 all-through.

Meridian also plays a key role in the wider development of education in the region. We are the home to the Cambridge and Peterborough Teaching School Hub and operate a vibrant Initial Teaching Training provider that trains upwards of 100 teachers annually. In addition, our commitment to the local community as an extension of our village college ethos means that we host a range of activity in our schools, including providing leisure and educational opportunities.

If being part of a dynamic, compassionate and dedicated group who believe we can really improve young people's life chances and opportunities by working together appeals to you, we very much look forward to receiving your application.

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 36 academies (including 19 primary, 3 special and 13 secondary schools and one all through school). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a

strong commitment to growing and supporting staff throughout their training and career development. We have a proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
