TEACHER OF CREATIVE MEDIA - PART TIME

Job Pack

Welcome

from the Executive Headteacher

Dear Applicant,

Thank you for your interest in the post of Teacher of Creative Media at Wootton Academy Trust.

We are at an incredibly exciting time in our development. This September, Wootton Upper School will become Wootton Academy, a Year 7 – 11 secondary and grow from 850 to 1150 students. In addition, our popular and oversubscribed sixth form Kimberley College will also change as it focuses on getting students into the country's top universities and degree apprenticeships. The opportunities that come from this are huge, and we need to grow our staff body in key subjects as a result.

Both settings have been inspected in recent times and found to be “Good” across the board – Wootton in November 2024, and Kimberley in May 2023. Teachers can get on and teach because students behave and work hard.

However, we have lots of things we must do better right now for our students and the wider community. We want to run superb schools with great outcomes for all students, enabled by a high-performing, happy staff body, and a reputation as a great place to learn and work. We are working hard to build a strong culture based on great attendance and behaviour by students. And we are developing a curriculum that is ambitious and knowledge-rich, recognises the importance of subject disciplines, and immerses students in the best that has been thought and said.

If you share our passion for knowledge and handing it on to future generations, and are motivated to find out more about us, then please visit our website or get in touch with us for a chat. We'd love to show you around and have you see for yourself a place where teachers can teach and students work hard. Details of the application process are at the end of this recruitment pack.

We look forward to receiving your application.

Yours sincerely,

Mark Lehain
Executive Headteacher
