A message from our Headteacher

Dear Candidate,

Post: Higher Level Teaching Assistant

I would like to thank you for showing an interest in the opportunity at our school. We are looking for an individual who is inspired by working with children!

We view the work of HLTA as vital in supporting every pupil in our care. The impact a great Teaching Assistant can have on the education of pupils is immense. It is something we recognise and are passionate about promoting the value of.

We offer a fantastic and supportive environment for you to learn and grow your career, whether you are a Teaching Assistant, Early Careers Teacher or Senior Leader. In return we want to appoint candidates who share our ethos and would relish the opportunity to shine in a progressive and exciting school.

As a Headteacher, I firmly believe that every moment matters! Our job is to provide an engaging and exciting curriculum for all our children; it is to develop their literacy and numeracy skills so they can be successful in later life and it is to work hard with parents and our local community to raise aspirations for all.

I am very excited about the opportunity to develop and strengthen our existing team, to give people opportunities to grow and develop valuable experience which will benefit you and our setting. If you want to see more of our day to day life in school, you can see us on our website, or X using the handle @LRPSchool.

Our Academy is a member of Bradford Diocesan Academies Trust (BDAT), which means all our schools and employees can access great support from an experienced and caring Trust. There is more information about BDAT later in this pack.

Please contact our office team on 01274 905 102 to make an appointment to see our school at work.

Yours sincerely

Chris Tolson
