Our Lady Immaculate Catholic Academies Trust is a large Catholic Multi Academy Trust situated in the northern half of the Catholic Diocese of Northampton formed by the merger of three former Catholic Trusts in February 2020. The Trust currently leads and manages ten Catholic primary schools located across the geographical area of Northamptonshire and Bedfordshire and, two Catholic secondary schools – St Thomas Becket in Northampton and St Thomas More in Bedford.

St Thomas Becket Catholic School is a successful, comprehensive 11-18 secondary school in Northampton. We are committed to continuous improvement and driving up standards of attainment and we are ambitious for our students and our staff. We are a Catholic, learning, listening school where it is not enough that children know they are loved, we show them. We are looking to recruit a committed and inspirational Teacher of Girls PE to join our team. It is important that you are passionate about ensuring all students reach their full potential and are inspired to learn independently. The successful candidate will be an outstanding teacher, have a passion for learning and a tireless commitment to challenging and inspiring students to maximise their achievement. They must be able to teach across a range of sports and the ability to teach BTEC PE and Key Stage 4 & 5 examination PE would be desirable. Applications are welcome from both ECTs and experienced teachers.

Do you want to work in a school that has been rated **“GOOD”** in all areas in November 2022, but also ...

- That has undergone rapid change?
- Where the culture and ethos of the school is not just a fancy poster in reception, but something that we live and breathe every day?
- With dedicated and caring staff who put the pupils and their learning, growth and personal development first?
- Where the teacher is valued as the expert?
- That has a very clear and systematic approach to improving students’ attitude to learning?
- That takes workload seriously and provides additional PPA (up to 16%) to support staff to forge relationships with parents to improve behaviour and attitudes to learning?
- That values staff input, feedback and collaboration as the school moves on our mission to excellence.
- That provides staff CPD to develop their practice and skills both internally but also recognised national qualifications?
- That prioritises a ‘Knowledge Rich’ curricular approach, valuing the importance of a curriculum accessible to all?

If your answer to the above questions is a yes, you could be just who we are looking for!
